

## Stone House Vinyards Events

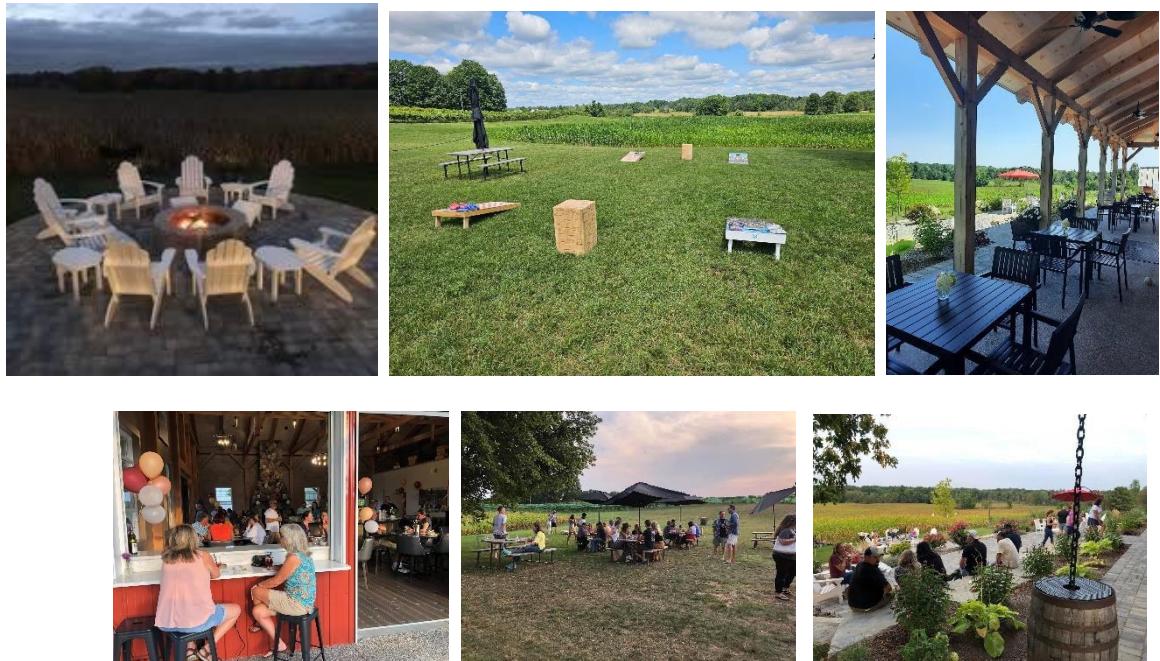

Stone House is the perfect place for a small event. Whether it is a family gathering for a birthday, bridal or baby shower, company event, business meeting or anything in between – we have the place for you.

Our venue has a unique tasting room that can seat up to 50 people. For a mingle party you can have 85 people. During summertime, we can host a larger event. You will be awed when you enter the beautiful tasting room with the large round bar, wooden beams, catwalk with wine barrels and the amazing stone fireplace.

We also have a wonderful outdoor space for summer events. We offer covered seating on three sides of our building, window bar seating, a three tiered patio with casual seating, a bonfire area with adirondack seating, and a large lawn area with picnic tables and area for lawn games.

We offer custom packages suited to your event. You can host a small event during our open hours and reserve a certain space indoors or outdoors. You can host a private event during our closed hours – or even before or after open hours. We work with you to make your event work best for your needs.

## Events at Stone House Vinyards

### Venue Pricing:

First of all, our hours of operation are:

Summer Hours – Wednesday – Saturday from 1-9 PM.

Winter Hours – Thursday – Saturday from 1-8 PM.

### To reserve:

- Half of the room for a party of 25-30 max, or under - \$250 during our open hours.
- Private party – entire tasting room venue indoor \$500.
- Private party – entire venue indoor and outdoor \$1,000 to \$1,500 depending on the amount of people. Over 150 people there are additional fees.
- You may bring in decorations and come in early to set up. Set up the day before can also be arranged.
- You may reserve the venue up to or after our open hours as well. We have hosted birthday parties after hours – 8 to 11 PM for example. We had a bridal shower that used half the room from 11 – 1 PM. They were not completely finished by 1 PM when the room opens to the public, but they were at the end of the party and the mingling stage. Some choose to stay longer and that was just fine. We really try to work around your timing and accommodate your needs.

Beverages fees:

- Wine by the bottle pricing – we will re-seal and you take home any leftovers. You may offer all of our wines or select only the wines you wish to serve. For example, you may want to offer two red's and two white's – one sweet and one dry. This limits you to not having many opened bottles of different varieties at the end of the event.
- Cider and Slushy is priced by the glass only.
- Hot cocoa and hot mulled cider priced by the glass only.
- Urn of coffee – serves up to 30 people, \$25. Includes, cream and sugar.
- **NO OUTSIDE BEVERAGES CAN BE BROUGHT IN. NO OTHER TYPES OF ACHOHOL CAN BE SOLD OTHER THAN WHAT WE ARE LICENSED TO SELL.** For example, no beer or liquor.

Events at Stone House are a lot of fun in our casual, relaxed yet elegant atmosphere. We have had very positive feed-back from all of our events at Stone House.
