

House Clearance Services

Professional, discrete and reliable. We will take care of every step. Fully insured with product & public liability.

Clearance Services

- Full or Partial Removal
- Houses/ Flats
- Lock Ups & Garages
- Relocation into residential care

Quotations

Our quotations are based on the following:

- **Potential Value** in the items
- The **cost of clearance** (time and disposal costs)

Consignment to Auction

An upfront charge will be made for our clearance service. Items of value can then be **consigned** to the next auction. Proceeds of sale will be minus auction costs

Who We Are?

Based in Haslingden, in the Rossendale Valley, East Lancashire, we run regular live antiques and collectible auctions.

Our services include free of charge valuations, house clearance services, and consignments to auction.

What We Do?

We provide a reliable and professional house clearance service. Competitively priced and subject to site survey, services can be tailored for private individuals, solicitors, estate agents and property managers.

From a small residence to a large commercial property we invite you to contact us for a schedule appointment.
