

Windmill Ranch Homeowners Association Restrictions Variance Request Form

Description of Request for Variance on Restriction Violation:

I understand that the Restrictions Control Committee will act on this request and will forward to Architectural Control Committee and Board for consideration and contact me in writing regarding their decision. I understand that all Restrictions that are in violation of City Ordinance and must be taken to the City for a variance prior to the Windmill Ranch Board of Directors consideration and that the Architectural Control Committee and Board approvals do not override the City codes but rather, are intended to work with them.
