DESIGN REVIEW BOARD APPLICATION

SUBMITTAL REQUIREMENT CHECKLIST - PART I

To ensure prompt processing of an application, the Applicant must provide all the relevant information, as it applies to the project, as described in the submittal checklist. Incomplete applications will be returned to the Applicant, causing delay to the review process. Ensuring the accuracy of the application is the responsibility of the Applicant. This submittal checklist supersedes all individual Design Guideline checklists:

https://www.reston.org/PropertyOwnerResources/DesignReview/DesignGuidelines/DesignsGeneralInformation/tabid/431/Default.aspx

Please submit a copy of the completed checklist along with your project plans to your Covenants Advisor to schedule a design review. Design Review agendas are limited in space and it is recommended that you submit your application well in advance of your planned project installation date.

General Project Categories

ixisting Projects or Changes to an Approved Project Include plat/house location survey (clearly and legibly drawn to scale) with the following:				
 Property lines with dimensions to project, to include site details (fences, retaining walls, etc.) Existing improvements with dimensions, material and color 				
☐ Provide color photos of the existing project				
\square Provide color photos and information about the conditions prior to the existing changes				
Additions, Screened Porches, Enclosures				
\square Include plat/house location survey (clearly and legibly drawn to scale) with the following:				
• Property lines with dimensions to proposed project, to include site details (fences, retaining walls, etc.)				
Existing and proposed improvements with dimensions				
 Exterior elevations of all sides pertaining to the proposed addition with dimensions and photo simulation where appropriate Drawings must be clearly and legibly drawn to scale. 				
☐ Door, window, light, gutter & downspout locations, styles and finishes				
□ Roof plan				
\square All materials and colors will match the existing house				
☐ Provide color photos of product specifications and identify proposed material, style and color				
Community Standard (Cluster or Condominium)				
☐ Provide color photos of proposed products identifying manufacturer, series, style and color				
☐ Provide a summary identifying the reason for the proposed changes/replacements and outline any necessary stipulations				
☐ Provide color photos of any existing standard products identifying manufacturer, series, style and color				
☐ Provide sample elevation photos				
Decks				
☐ Include plat/house location survey (clearly and legibly drawn to scale) with the following:				
 Property lines with dimensions to proposed project, to include site details (fences, retaining walls, etc.) 				
Existing and proposed improvements with dimensions				
Exterior elevations of the proposed deck with dimensions (width, depth and height) and photo/drawing simulation indicating where it will attach to the house. Drawings must be clearly and legibly drawn to scale				
\Box Provide material specifications and identify proposed product, style and color				
☐ Provide color photos of product material and color for deck boards, railings, pickets, rail caps, stairs and support post materi and color (wood, composite, PVC, vinyl, etc.)				

☐ Show proposed lighting locations, fixture type, finish and include manufacturer specification information

Docks
\square Include plat/house location survey (clearly and legibly drawn to scale) with the following:
 Property lines with dimensions to proposed project, to include site details (fences, retaining walls, etc.)
Existing and proposed improvements with dimensions
\square Detailed drawings to scale (both plan view and cross section drawings) demonstrating the construction of the dock
\square Provide material specifications, including fasteners, and identify proposed product, style and color
$\ \square$ In addition to required application signatures, obtain signature of RA Watershed Manager
□ Provide a statement indicating that you have verified your deeded right to construct a dock on the property. If you live in a cluster, provide a statement from the cluster verifying you have the right to construct an individual dock.
$\ \square$ Provide color photos and information about the existing shoreline treatment whether bulkhead, rip rap, vegetation or other
\square Submit a final dock location survey to RA Watershed Manager within 30 days of construction completion
Doors
\square Provide color photo of product manufacturer, series, style and photo (pedestrian, slider, hinged, garage)
\square List frame material and color (wood, aluminum, vinyl, etc.)
\square Include any trim capping material and color samples
\Box Indicate type of muntins or grilles (i.e., indicate use of: no muntins; interior muntins; simulated divided light or true divided light)
\square Door frame dimensions worksheet (required for all sliding and hinged door applications)
Equipment
\square Include plat/house location survey (clearly and legibly drawn to scale) with the following:
 Property lines with dimensions to proposed project, to include site details (fences, retaining walls, etc.)
Existing and proposed improvements with dimensions
☐ Show location and type of equipment (HVAC, generators, radon, vents, utility boxes, fuel tanks, chimney flue, gutters and downspouts, security devices, solar collectors, spas & hot tubs, out-door cooking areas, antennas)
\square Indicate existing and/or proposed vegetative screening if applicable (include aerial map view if needed)
☐ Provide color photo including manufacturer specifications and identify proposed product style Exterior Colors
$\ \square$ Provide actual color sample with manufacturer, name and number for each proposed element
Landscaping: Site-grading, Driveways, Walkways, Retaining Walls, Patios, Fences
\square Include plat/house location survey (clearly and legibly drawn to scale) with the following:
 Property lines with dimensions to proposed project, to include site details (fences, retaining walls, etc.)
 Existing conditions and proposed improvement dimensions (include aerial map view if needed)
\square Proposed product material, type, size and location in context with existing vegetation
\square Provide color product photos and specifications and identify proposed style and color
\Box Show any proposed lighting locations, fixture type, finish and include manufacturer specification information (lumens/
kelvins/color)
Landscaping: Tree Removal
☐ Include plat/keyed site plan (clearly and legibly drawn to scale) to include, property lines and locations of trees
☐ Provide the tree locations, type and circumference (measured 4.5' above ground) with reason for removal. Certified arborist
statement with labeled, wide-angled color photos of all flagged trees in context with the surrounding environment (include aerial map view if needed)
☐ Include the location of proposed replacement trees, species and size on site plan or reason for no replacement

Lighting
☐ Show location and type of fixture (decorative, lamp post, up-light, down-light, flood, security light, recessed stair lights, sitelighting)
\square Provide color photo indicating manufacturer specifications and identify proposed product style, lumens, kelvins and color
Lighting: Common Area
☐ Include plat/building location survey (clearly and legibly drawn to scale) to include property lines and location of existing and proposed lights
 Property lines with dimension to proposed project, to include site details
Existing with proposed improvements with dimensions
\square Include photometric plan for all site lighting projects
\square Provide color photo indicating manufacturer specifications and identify proposed product style, lumens, kelvins and color
Roofing
\square Provide color photo indicating manufacturer, style, material (include aerial map view if needed)
\Box Identify type and style of material (3-tab, architectural, wood, simulated shakes, metal, tile, composition, etc.)
Siding
\square Provide color photo indicating manufacturer, style, material (vinyl, aluminum, fiber cement, stucco, brick etc.)
\square Show locations of all siding
\square Show direction of material for wood siding (horizontal or vertical)
\square Indicate if stone or brick is natural or synthetic
☐ Include masonry caps and trim
☐ Include type of texture if stucco
☐ Include any decorative trim for doors, windows, skirts, braces, posts, etc.
Signs
\square Provide type (monument, informational, directional, banner, temporary)
\square Provide sign and mounting detail, material, color, letter size $\&$ font, all dimensions and mounting height
☐ Provide lighting detail, manufacturer brochure/specifications and identify type of fixture, finish and location, specification information (lumens/kelvins/color)
\Box Include plat (clearly and legibly drawn to scale) to include property lines and locations of each sign, keyed to site
\square Show the proposed location, to scale, for all building mounted signs
Windows
☐ Provide color photo identifying manufacturer, series, style and color (double-hung, casement, awning, fixed, slider, etc.)
☐ List type of frames (wood, aluminum, vinyl, etc.)
\square Indicate color of exterior frames
☐ Include any trim capping material and color sample
☐ Indicate type of muntins or grilles (i.e., indicate use of: no muntins; interior muntins; simulated divided light or true divided light)
☐ Window frame dimensions worksheet (required for all window/patio door applications, no exception)
☐ Provide color elevation photos identifying and labeling the windows/doors to be replaced

Work

Home (Check one) Email Address: Is this project existing : ☐ Yes ☐ No Proposed Start Date: ______ Proposed Completion Date: _____ **Description of Project (s):** Provide a summary below of the project, to include a complete listing and description of the materials to be used and overall dimensions: height, length, width, type, style, colors etc. Please include wide-angled color pictures of the house/building and/or existing conditions that are relevant to the project (recommended five best) and samples of any required materials and colors as outlined in the project requirement checklist. Reston Association may require additional information as necessary to make a decision. Incomplete applications will be returned to the applicant.

Owner's Acknowledgements—Part III

Individual Property Owner Notification:

Section III.6.d(4)(iii) of the Reston Deed requires all Land Owner Applicants to submit with their application the signatures of at least three (3) different Lot Owners adjacent to or within view of the Applicant's alteration or improvement, at least one of which shall be from an adjacent Lot Owner. In addition, if the Applicant's Lot is within a **Cluster (or Condominium) Association** at least one of the signatures must be that of a Cluster (or Condominium) officer listed with the SCC as the president, vice president, secretary or treasurer on the board: https://cisiweb.scc.virginia.gov/z_container.aspx. Such signature merely represents acknowledgement of notice of the Applicant's submission to the DRB. All neighbor notification signatures must be from an owner of the lot and may not be a renter.

Cluster or Condominium Association Notification:

Community Standard or Community owned property: The Reston Deed requires that Cluster/Condominium Association applications require the signatures of at least three (3) different Cluster/Condominium Association Board Officers: The signature of two (2) community board officers is required on page five (5) and the signature of the President or Vice President is required on page six (6). If your project is on common property and is adjacent to individually owned property, notification of those individual owners will be required. Also, if your project impacts the entire community, community notification will be also be required.

All officer signatures must be that of a Cluster (or Condominium) officer listed with the SCC as the president, vice president, secretary or treasurer on the board: https://cisiweb.scc.virginia.gov/z_container.aspx. Please note that board directors and at-large members are not considered authorized signatories. Please note that the location and scope of your project may necessitate additional notification, please contact your Covenants Advisor for details. If additional notification signatures are required, please submit the signature addendum sheet (Addendum I), make additional copies if needed.

The required signatures are merely an acknowledgement of the Applicant's submission to the DRB and are in no way to be considered either an approval or disapproval of the pending application. At the discretion of the DRB, applications that the DRB determines to have a wider impact on the community may be required to provide additional notice beyond the signatory requirements of this provision.

If you are unable to obtain a notification signature in person, you may send a copy of your application and all supporting documents via certified mail to the owner you need to notify and submit a copy of your mail receipt with your application as proof of notification.

Neighboring Property Owners & Board Officer Acknowledgement

(Required for all applications)
