CONTACT USPage 38

Hello,

For more than a decade, Global Supply Management has worked ceaselessly to further our research and developing innovative bedding products to improve sleep experience.

We are proud to introduce featured products to support your business to the next level. These innovations are staying close to consumer trends, to make your business development easier.

As always, we back our products with strict quality control system and customer service. From the manufacturing floor to our sales managers, we set the bar high because we know that you need more than a high quality manufacturer, you need a partner.

OEKO-TEX®
 CONFIDENCE IN TEXTILES
STANDARD 100
 2014OK0392 AITEX
 Tested for harmful substances.
 www.oeko-tex.com/standard100

- ◆ Our fabric and coverings are medically tested to ensure they pose no risk to the body and skin.
- ◆ Our fabrics and coverings are free from bleaching.
- ◆ Our Materials subject to stringent hazardous substance check.
- ◆ Products categorized as “class 1” by Oeko Test® standard 100 and other testing authorities.
- ◆ We are under audit by Sedex and BSCI.

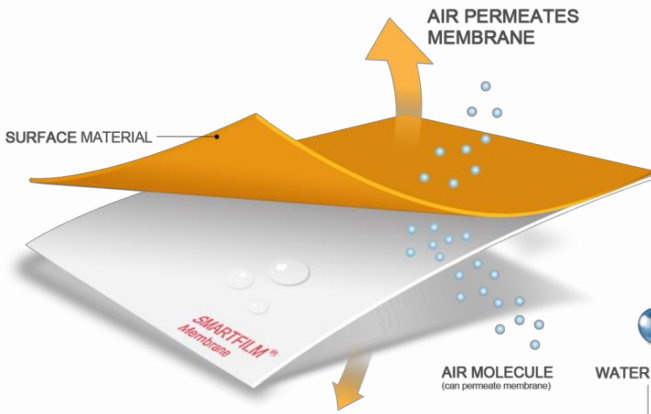

SECTION 01:
MATTRESS PROTECTORS

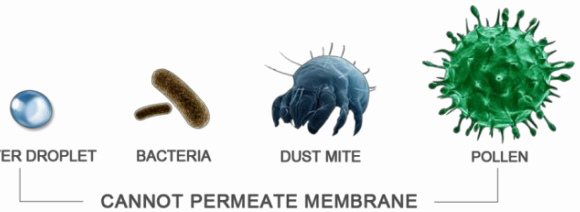

MATTRESS PROTECTORS ADVANCED FEATURES

Laboratory certified Smartex® membrane has microscopic pores that allow air to permeate while blocking larger molecules like liquids, viruses, bacteria, dust mites and allergens, creating a liquid-proof, anti-dust mite and breathable.

Classic, Quilted, Sandwich, Encasement

LAB TESTED ANTI DUST MITE

Smartex® collections are verified by Snell Scientifics Laboratory. Smartex® products is capable of preventing dust mite and bed bug feeding and escaping, and the pass through rate is 0%.

*Test reports are available on request.

LAB TESTED WASH DURABILITY

Smartex® collections has passed wash tests by Lonza laboratory.

50 times wash durability certified by laboratory.

*Test reports are available on request.

LAB TESTED WATERPROOF

Smartex® collections are verified by Intertek water pressure laboratory. It's waterproof capacity meets international standard.

*Test reports are available on request.

LAB TESTED BREATHABILITY

Smartex® collections are verified by Intertek laboratory.

Water Vapour Permeability are 300 g/m²/24 hrs. Sandwich

mattress protectors are 30% more breathable than normal products.

*Test reports are available on request.

MATTRESS PROTECTORS OPTIONAL FEATURES

ANTI-BACTERIAL

Smartfresh®

Smartfresh® is our special crafted membrane with anti-bacterial treatment. It has zero contact to the skin, and the anti-bacteria functionality will be maintained even up to 50 wash.

Classic, Quilted, Sandwich, Encasement

EXTRA COOLING EFFECT

SmartKool®

Smartkool® fabric derives its cooling function from its special cooling high molecular polymer yarn, or yarns mixed with MICA, rapidly dissipating the body's excessive heat, accelerating moisture evaporation.

Classic, Quilted, Sandwich, Encasement

BALANCE SLEEP TEMPERATURE

Springcell™

Quilted mattress protector combines with Springcell™ temperature balance fiber to aid restful sleeping with its temperature regulating feature.

Quilted

FLAME RETARDANT

All of our mattress protector can incorporate flame retardant treatment if customer requires.

Classic, Quilted, Sandwich, Encasement

EXTRA BREATHABLE

Verified by laboratory, sandwich and quilted mattress protectors, our special crafted membrane are 30% more breathable than normal waterproof products.

Quilted, Sandwich

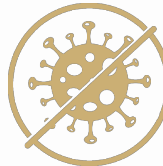

ALOE VERA

Aloe vera additives make the fabric have excellent moisture absorption and moisture retention and anti-static effects, and also have antibacterial properties.

Classic, Quilted, Sandwich, Encasement

Anti-virus

Our products have a good anti-virus effect and support anti-virus test reports.

Quilted, Classic

GRS

GRS is applicable to products with a recycled content of 20% or more and any accepted Recycled materials.

Terry fabric, microfiber fabric

BCI cotton

Cotton bedding are all certified by BCI.

Classic, Quilted, Sandwich, Encasement

Mattress Protector Series
