Kindermusik at Evola Music of Canton

Kids Music Week October 1-12

Kids Music Week was founded by husband and wife team Vincent James & Joann Pierdomenico as part of their Keep Music Alive Mission. Their mission is to promote the VALUE of MUSIC: For our children's education, for the many types of therapy music is being utilized for and for our overall happiness. We believe that every child deserves the opportunity to learn how to play music and every adult needs to be reminded that it's never too late to start playing. Call 734.455.4677 to register.
