WE COME

to Kentucky's Cave Country

Within a one-day drive of
75% of the US population!

Welcome to Kentucky's Cave Country where below our beautiful rolling landscape lies the world's longest cave system to explore. Above ground you'll find your adventure—hiking, biking, canoeing, fishing, zip lining, rappelling, horseback riding, antiquing, and historical sites.

Of course, you'll want to visit Mammoth Cave National Park and our beautiful privately-owned "show caves". We also have two of Kentucky's finest state parks—Barren River Lake State Resort Park and Nolin Lake State Park.

So venture off the interstate, take a drive through our countryside, visit a small town, stay at one of our B&Bs, campgrounds, or chain hotels. Try some local home cooking, fine dining, or Kentucky BBQ. Stop by a local shop, country store, or roadside market. Enjoy a local festival. Explore our Kentucky!

We're here to help you plan your trip.

Main Street, Glasgow. Visit www.plaza.org or call 270-361-2101 for tickets and/or information.

FORT WILLIAMS: A Union fort built in spring 1863 to ward off attacks by Confederate General John Hunt Morgan. Confederate forces overtook the fort in October 1863. Located at rear of Glasgow Municipal Cemetery. 270-651-3161 www.trailsrus.com/morgan/glasgow.html

BRIGADOON STATE NATURE PRESERVE: Named for a mythical Scottish village that appears from the mist every hundred years, the unique character of this preserve makes it special.
