Exploring Artificial Intelligence for the Next Generation

3 WAYS STUDENTS CAN USE AI

LEARN & STUDY

Get help understanding lessons and exploring new topics.

CREATE & EXPRESS

Write stories, design art, make music, and bring ideas to life.

EXPLORE & PLAN

Discover future careers, build skills, and plan your path.

5 AI PROMPTS TO TRY TODAY!

- 1 Explain fractions to a 5th grader.
- 2 Help me write a story about space.
- 3 Suggest a science project idea.
- 4 Teach me about Black inventors and innovators.
- 5 What future careers can I explore with AI?

AI CAREERS OF THE FUTURE

AI ENGINEER

Designs smart systems and builds the future.

HEALTHCARE AI SPECIALIST

Uses AI to improve patient care.

AI EDUCATOR

Teaches others how to use AI to learn.

AI ENTREPRENEUR

Builds AI tools and solves real-world problems.

YOU
ARE THE
FUTURE!

AI was created by people,
and it's up to YOU
to use it to make the
world better!
