## Opportunities 2025/26

# About Us

Manx Powerlifting is a British Powerlifting affiliation formed in January 2022. We are the only association on the Island sanctioned by British Powerlifting with two club locations – Revolution in Castletown and Fusion Barbell in Douglas.

Powerlifting is a fast-growing sport on the Island with a diverse range of members.

Since the formation of Manx Powerlifting we have developed a substantial membership base, with ages ranging from 14 to 70 plus! We have successfully ran eight competitions locally and have sent teams of athletes to UK and International Championships with some wonderful results for the athletes, with many medals making their way back to the Island..

# 2023 Highlights

2023 was a highly successful year for Manx Powerlifting. We held two competitions on Island and had the opportunity to attend various competitions off Island. Here are two of our highlights:

## British Sub-Junior/Junior Championships in Solihull

During April 2023, Teagan Lindsay represented Manx Powerlifting as her first ever Sub-Junior British Championships at the age of 16. Teagan took first place as British Champion in the 52kg Sub-Junior class, bringing home a gold medal.

## Home Nations in Belfast

In November 2023 Manx Powerlifting made our debut at the Home Nations held in Belfast. A team of 11 competitors took to the platform against teams from England, Northern Ireland, Scotland & Wales, with 9 of the 11 Manx lifters competing off Island for the first time! We look forward to taking a team again in December 2024 to compete in Glasgow.

2024

# Highlights

Throughout 2024 we have built upon the successes of previous years.

Manx Powerlifting held three local competitions and had a fantastic number of Manx athletes qualifying & competing at various British Championships including the British Sub-Juniors / Juniors, the British Masters and British Universities and Colleges Sport (BUCS).

In addition, Manx Powerlifting took a team of 11 to the Commonwealth Championships in South Africa and are heading to Glasgow for the Home Nations during December.

## British Master Championships, Belfast

In June 2024, Lisa Grant, our head coach, represented Manx Powerlifting at the British Masters Championships. Lisa took first place as the British Champion in the 76kg Masters 1 class, bringing home a gold medal and an incredible new British Deadlift record of 190.5kg.

## Commonwealth Championships, South Africa

In October we sent our second Commonwealth Team to compete in South Africa. Eleven competitors with ages ranging from 15 to 51 took to the international platform, some for the first time, returning with an impressive 21 medals across all categories.

# Our local 2025 Events

The 2025 Competition Calendar can be seen below.

Manx Powerlifting fosters inclusivity, and our on-Island competitions are open to all from 14 years upwards, regardless of ability or experience.

In addition to our competitions, we aim to host workshops and events throughout the year to encourage participation.

## Schedule:

**2nd  
Feb  
2025**

**Winter Open**

**Easter Open**

**19th  
April  
2025**

**6th  
Sept  
2025**

**Manx Championships**

# 2025 & 2026 National Team Events

Manx Powerlifting is invited to submit a team of athletes to compete at the following events through 2025 & 2026.

Having the opportunity for our local athletes to compete on the international platform is a goal to aspire too.

2026

**Small Nations Championships**

**Commonwealth Championships, Canada**

Sept  
2026

Date  
TBC  
2026

**Home Nations Championship**

# Our Packages

The key objectives of Manx Powerlifting over the last 2 years have been:

- To increase awareness of the health benefits of powerlifting and grow the sport locally across all age groups and abilities
- To host local competitions providing a platform for athletes to challenge themselves in a safe environment
- To help more athletes competing in off Island competitions including British Championships and International competitions
- To facilitate the growth in local coaches and referees

We are looking for sponsorship partners who share our passion for sport and community and of putting our tiny Island on the world map! Your help will support us and our athletes on our journey, while we prepare to take teams to the Home Nations in 2025 and 2026, and to the Commonwealth Championships in Canada 2026.
