HAVE MORE TO SAY?

I am really proud of where ACSAFE is after only 19 months of incorporation and would love to hear ideas from members in what direction they would like Organization to go towards in the future.

President's Column

The Corona Pandemic has made 2020 a very difficult and somewhat depressing year, but if we stay positive and do what is right hopefully with a vaccine in the near future we can get back to some type of normal life in the near future. Stay strong and healthy!

We currently have about \$5,600 in our budget account at Wells Fargo bank, and we have only 1 monthly reoccurring expense for our credit card processing. 63 paid members currently now and still growing at an average of 1 new member per month. Thanks to all Board members for your time and commitment.

I would like to say to all members I hope you and your families are safe and healthy during this Pandemic and let's keep praying for the corona virus to demise quickly, so you can get back to work supporting your families.

We also want members to please send in any content (pictures you would like to see on Our Facebook page) e-mailed to jjulian@pinnaclehoods.com. For our facebook page you can go to at URL is: www.facebook.com/acsafe51 (This is 100 percent free advertising-take advantage before it becomes a paid service).

ACSAFE member decals for work trucks and storefronts will be printed by next meeting and distributed to each member free for 1st decal and \$4.00 per sticker after that. Hopefully members will be purchasing these because money will be donated to burn center at Lehigh Valley Hospital in PA. Thanks again for your support to all members.
