**President’s Column**

I have been home now like you guys and gals for over a month and still finding new members which is somewhat uplifting .

We currently have about \$5,400 in our budget account at Wells Fargo bank, and we have only 2 monthly recurring expenses-1 for our credit card machine and 1 for printer who sends out welcome aboard packages. We have 60 paid members currently now and still growing at an average of 3-4 new members per month!!!! Very exciting. Thanks to all Board members for your time and commitment.

I would like to say to all members I hope you and your families are safe and healthy during this Pandemic and let’s keep praying for the corona virus demise to happen quickly, so you can get back to work supporting your families.

We also want members to please send in any content (pictures you would like to see on Our Facebook page) e-mailed to [jack@lpifire.com](mailto:jack@lpifire.com). For our facebook page you can go to at URL is: [www.facebook.com/acsafe51](https://www.facebook.com/acsafe51) ( This is 100 percent free advertising-take advantage before it becomes a paid service ).

ACSAFE member decals for work trucks and storefronts will be printed by next meeting and distributed to each member free for 1<sup>st</sup> decal and \$4.00 per sticker after that. Hopefully members will be purchasing these because money will be donated to burn center at Lehigh Valley Hospital in PA.
