

Fundamentals of Infection Prevention for Long Term Care

With Kerry Flint, PhD, MSN, RN, CIC and Barbara Mooney, BSMB, BSMT (ASCP), CIC

The Infection Control Consultants of New Mexico is offering a **FREE** 3-Day virtual training designed for the novice IPCO to improve understanding of the concepts of IC programs.

Who should attend: Key LTC staff (unit managers, director of nursing, etc.), such as those identified as infection prevention and control officers (IPCO).

Event includes: Resource manuals, APIC membership, Nursing Continuing Professional Development/Education and Certificate of Completion.

Participants must register for each day, attend all 3 days and complete evaluation to receive certificates.
