Fall Workshop

“Flip It”

Are you interested in supporting the social and emotional development of young children and reducing their instances of challenging behaviors?

FLIP IT® is a strategy that offers a simple, kind, strength-based, commonsense and effective four step process to address children’s day to day challenging behavior. The four steps are embodied in the FLIP IT mnemonic which stands for F – Feelings, L – Limits, I – Inquiries, and P – Prompts. FLIP IT is nothing new but transforms best practice into a strategy that is easy to remember, applicable in a variety of challenging situations and portable.
