

# INSTRUCTIONS FOR FROZEN DOUGH

- Two days prior to cooking, remove from freezer and allow to thaw in fridge
- Two hours before cooking, bring thawed dough to room temperature:
  1. Remove from bag and place dough in a metal, glass, or ceramic bowl
  2. Cover with clean cheesecloth or tea towel
- 1 hour before cooking---stick pizza stone in oven and crank to 500 degrees
  1. \*Allow stone to heat for **1 hour** before cooking\*
  2. When dough is at room temperature, begin making your pizza
- Cook pizza for 9-11 minutes, based on your crunch preference!
