FALL 2025

DUBLIN, OH. | EST. 1986

[PRESIDENT'S MESSAGE LINDA GORDON]

Welcome to Fall, everyone! Your Shannon Heights Civic Association is very proud to serve our unique community of 320 homes. We've grown since we started in the mid-1980s, and encompass two school districts. Brian and I are proud to call Shannon Heights HOME; we love meeting our diverse residents - a mix of newer ones with young families, and original homeowners, whose children have grown and flown. Learn more about our neighborhood by clicking on "Our History" at shannon-heights.com!

As your Officers, Brock, Teri, Syed, and I, have truly enjoyed planning and executing many events this year. Our goals are to promote community by helping neighbors get to know each other and have a little fun – while encouraging safety and contributing to an overall sense of welcome and well-being.

We look forward to doing the same in 2026, but I have to share frankly that some of our events are in jeopardy due to a lack of carryover funds. Regretfully, we've had a poor response (less than 30%) to our dues collection this year.

Perhaps my note here will prompt you to donate – we only ask for **\$25 per household** each year. We also need more of you to volunteer time occasionally. These dues and small time contributions are what make our neighborhood amazing – and I invite you to be part of what we do! Our **Annual General Meeting** comes up on November 9 – so plan on joining us to learn how you can help make a difference. Catch us around the neighborhood – or find us online by clicking on "Contact Us" at shannon-heights.com. Thank you!

[SHANNON HEIGHTS GIVES BACK! BROCK DELONG]

Mark your calendars for September 28

Each year, we ask you to help support the food pantries of the communities we call home. This year, we're conducting one mega-event, where we'll split what we collect between both the **Dublin Food Pantry** and **Hilliard Food Pantry Plus** organizations.

Did you know that there has been a 200% increase in pantry visits since 2019? This includes over 5000 school-aged children. These two facilities provided over 600,000 meals just in 2024.

Now, we all have an opportunity to make a difference – and you don't even have to leave your driveway. Here's what you need to know!

 On **September 28**, leave your donations by your mailbox **by 2pm**

 My fellow officers and I will take care of the rest!

FALL 2025

[NEW TO SHANNON HEIGHTS? SYED ALI]

Hi there, it's Syed, your friendly neighborhood Communications guy. Yeah, I'm the name and face behind our social media posts, and I keep our entrance street signs and our website updated with the latest information as well. It's a joy – and kind of fun for me - to help keep us all connected!

Laura and I moved into our neighborhood in 2021, along with our two kids, Ryan and Layla, and our three little doggies. I can't believe it's been 4 years already! We live on Donnally Ct, and I recall meeting our street's Neighborhood Liaison during our first week here. Did you know that we have Liaisons that represent every corner of our neighborhood? It was neat putting a friendly face to a house right down the street. We also received a welcome gift – just for choosing and making Shannon Heights HOME!

Our family quickly met other wonderful neighbors, and that has helped us feel safe, cared for, and part of a community. We experienced that they don't just live next door – they feel like family. When we say "Shannon Heights is HOME" – that's what it's all about! We love participating in neighborhood events, and you'll always find us hanging around those food trucks.

Over the last few months, I've seen a few "For Sale" signs – ones that quickly turn into ones that say "SOLD" – our neighborhood is simply a hot place to live! But alas, we don't know all of those new faces – and perhaps, you don't know many of us, either.

Introducing "I'm New Here..." If you've moved into our neighborhood in the last year or so, we'd love to meet you! **Just scan the QR code above** and fill out the simple form. One of our Officers will be in touch, and we'll deliver a fun Welcome Gift - just for choosing to call Shannon Heights HOME! And, with your permission, we can also introduce you to other neighbors via our social media. What a fun way for us to build stronger connections with one another – see, it's that HOME thing again...

Speaking of the socials – if you don't follow us online, search for us on your favorite social media – we're on Instagram, Facebook, X, Threads, and even on TikTok, and update content multiple times each week! If you're not on any of these platforms – no worries – you can always connect with us via **shannon-heights.com** – toward the bottom of the main page, we have a live feed of our latest Instagram posts for your convenience. Bookmark it right now!

Thanks for choosing to call Shannon Heights **HOME** – it's our honor having you here!

Click the QR Code Above to introduce yourself to us! To thank you, we'll deliver a Welcome Gift!
