

2020 m100

Columbia Valley Cabernet Sauvignon

m100, crafted by father-son winemaking duo, Charlie and Will Hoppes, is dedicated to the French-born Matriarch of the Hoppes family, Mary-Jane, who lived to the ripe old age of 100.

Our 2020 Cabernet Sauvignon is 100% varietal sourced from vineyard partners that we've worked with for decades. On the aroma we get black cherry, baking spices, and red plum. The palate is rich and full with polished tannins — black currant, cedar, and strawberry. This is a wine that was crafted to be enjoyed right away—open and drink by itself or pair with all sorts of barbeque, roasts, pasta, etc... Drink now through 2030.
