

2021 m100

Columbia Valley Cabernet Sauvignon

m100, crafted by father-son winemaking duo, Charlie and Will Hoppes, is dedicated to the French-born Matriarch of the Hoppes family, Mary-Jane, who lived to the ripe old age of 100.

Our 2021 Cabernet Sauvignon is 100% varietal sourced from vineyard partners that we've worked with for decades. The aroma features black currant, cedar, and plum. The midpalate is rich and full with pleasant tannins — black cherry, strawberry and black pepper. This is a wine that was crafted to be enjoyed right away—open and drink by itself or pair with all sorts of barbeque, grilled vegetables, pasta, etc... Drink now through 2030.
