DETAILS

37029 Rehoboth Avenue Extension Unit N sleeps six people in two bedrooms. The apartment can be arranged as male only, female only or co-ed with bedrooms being only one gender. We try to group friends together but also want to respect gender concerns. We realize that your living arrangements are very important and will work with everyone to find the best fit.

This apartment is beautifully decorated and includes a full kitchen, dining room, living room, two bedrooms, 1.5 full bathrooms and offers a washer/dryer. The apartment is fully furnished but you are responsible for all of your own meals. This apartment is a short ten minute bike ride to work and you do not have to cross Route 1 to get to work. The apartment also offers ample parking.

COST

Funland charges a set amount for the summer rental so it benefits you to come early and stay as long as possible. The seasonal housing cost for this apartment is \$2,300 per season and this total includes all of your utilities. You are required to pay a \$200 housing deposit in addition to the seasonal housing costs. The deposit is paid back based on the condition of the apartment when you leave. If you work exclusively for Funland, work over 500 hours and stay until your scheduled end date you will be credited back \$500 of your \$2300 housing costs. That is 22% of your seasonal housing!!! Funland will create a payment schedule for each student to pay for their housing over the summer. Once you have finished making your payments you will live rent free for the remainder of the season. The apartment is available from Saturday, May 11th, 2024 until Monday September 9th, 2024.

All details for the apartment, including a sample payment schedule are provided in the 2024 housing agreement. If you decide to accept the housing you will be required to sign and return a copy of the apartment contract.
