The cars are large, disc-shaped pods in purple, teal, and yellow. The structure is a complex web of steel beams against a bright blue sky with scattered white clouds. At the bottom, a sign for the ride is visible.

Throughout the summer our family offers opportunities to interact with your co-workers outside of work. We offer pizza every week after our employee meetings, multiple games tournaments throughout the summer, a movie night, Skee-ball/ bumper car nights, Employee BBQ, employee breakfast, Employee Appreciation Day, Labor Day Raffle and more. At the end of the summer we hope that you not only worked hard and made great money but that your time at Funland was more than just a job.

# COMPENSATION

## Game Attendant

- **\$13.00 hourly base wage**
- End of season performance bonus worth up to \$1.00 for every hour worked during the summer in addition to your \$13.00 per hour.
- Wages increases over the last three weeks of the summer totaling \$2.00.
- Free rides and complimentary tickets.
- Payday is every Friday.

Summer Earning Examples			
Total Hours	300	350	400
Pay Rate	\$13.00	\$13.00	\$13.00
Total Pay	\$3,900	\$4,550	\$5,200
Bonus \$.87	\$261	\$305	\$348
Total Summer Earnings	\$4,161	\$4,855	\$5,548

### BASE WAGE

As a Funland employee you will be paid **\$12.00 per hour**. Most game attendants work 4/5 days a week and 25-35 hours per week.

### WAGE INCREASES

During the last three weeks of the summer, we increase the hourly wage to reward those employees that stay until the end of our season. Starting Friday, August 19th, wages increase \$.50 to \$13.50 per hr. Friday, August 25th, wages increase another \$.50 to \$14.00 per hr. Friday, September 1st, wages increase another \$1.00 to \$15.00 per hr through the last day of our season which is Sunday, September 10th, 2023. That is a \$2.00 increase over three weeks!

### \$1.00 SEASONAL BONUS

Funland also offers an end of season performance based bonus. You can earn up to an additional \$1.00 for every hour worked during the summer. With many employees working 300-400 hours during the summer, it would be equivalent to almost two more paychecks on your last day! Your end of season bonus is tied to the Duration of Work Agreement form you would complete. If you stay for the time you commit to on that form, you are eligible for the bonus. You are then evaluated on your performance. Last summer the average bonus was \$.87 out of a \$1.00! Three examples of total summer earnings can be found in the chart to the left for general reference. Funland has the opportunity to offer you both exceptional pay and lots of hours in a fun job.

# HOURS & SHIFTS

## Game Attendant

- You never work before 10am or after 7pm.  
(June 1st-Labor Day 9pm end time)
- Funland will work with each employee to determine the best number of days/hours to work each week.
- Funland offers two main shifts and you alternate between starting at 10am and 1pm.
- As a 14/15 year old employee, you have specific limitations while working which are listed on the work permit you must complete.

As a Funland employee, we will work with you to determine the proper work life balance. Funland expects game attendants to work an average of 30 hours per week over 5 days once school is finished. There are two main shifts that game attendants are scheduled. The first shift is 10am-5pm (shift A) and the second is 1pm-7pm (shift B). Each has a half hour break for either lunch or dinner and employees are scheduled a mix of both shifts. Most game attendants take two days off each week, and we like to set them for the entire summer if possible.

**SHIFT A**  
**10pm-5pm**  
(30 min lunch break)

**SHIFT B**  
**1pm-7pm**  
(30 minute dinner break)

### EXAMPLE WORK SCHEDULE

FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY
SHIFT A	SHIFT B	SHIFT B	OFF	OFF	SHIFT A	SHIFT B
10-5pm (30 min lunch)	1-7pm (30 min dinner)	1-7pm (30 min dinner)	OFF	OFF	10-5pm (30 min lunch)	1-7pm (30 min lunch)

Using the example work schedule above, someone would work 29.5 hours in a week. It is common for the game attendant position to be filled by someone who has never had a job before. We want all of our employees to enjoy their job, so we take extra care to make your first work experience a positive one. If for some reason you are overwhelmed by the hours, we are willing to work with you. It is sometimes hard to find the right balance at first, so we encourage new employees to say something if needed.

# EXPECTATIONS

## Game Attendant

- Safety
- Courtesy
- Hustle/Speed
- Smiley
- Friendliness
- Hard work
- Team work

As a Funland employee we expect three main things from our employees.

=====

## **SAFETY - COURTESY - HUSTLE**

Safety is our most important responsibility and is the most important part of your job. Traditionally, this required following all safety protocols listed in the employee handbook and now also includes following all COVID-19 procedures. Our customers come to the park to have fun and smile. Our employees must be happy, helpful and ready to go above and beyond for the children and adults visiting the park. If you like to smile and watch children smile, then Funland is the place for you. We are very busy at Funland, so it is important to be able to work in a fast paced environment. We want to accommodate the needs of as many customers as possible and our employees are the key. If you are ready to work hard, smile, make great friends then you should consider working with our family.

# 2023 CALENDAR

- **Funland opens for the 2023 season on Saturday, May 13th 2023. (Mother's Day weekend)**
- **Funland will only be open weekends until Friday, June 2nd, 2023 when we open every day.**
- **Funland's last day for the 2023 season will be Sunday, September 10th, 2023.**

There are three weekends of operation before the park opens everyday in early June. We consider the first two weekends training weekends and employees are expected to attend. The third weekend, Memorial Day Weekend is our busiest weekend of the summer and attendance is required. If hired, you will confirm your availability for those weekends on a form we call the Pre-Season Planner\*. This form significantly reduces questions and allows you to inform Funland of your specific availability over those weekends.

Funland asks all employees to indicate time off for the summer on a form called the Duration of Work Agreement\*. On this form you indicate your full time start date (4 or 5 days a week), vacations, scheduled time off and your planned last day of work for the summer. This form helps Funland plan for the summer and it also ties into your seasonal bonus eligibility.

Before making your decision to work at Funland, be advised that most of your time as well as your best effort will be expected. Funland is very busy each summer and we need as much help as possible from the moment we open until the last day of the season. While Funland will remain as flexible as possible with time off, Funland is a seasonal business and we must keep a full staff to operate the park safely and efficiently throughout the entire season.

\*Completion of the Pre-Season Planner and the Duration of Work Agreement does not constitute an employment agreement. These forms allow us to plan on availability for scheduling only. Employment at Funland is at-will. An at-will employment relationship can be terminated at any time, with or without reason or notice by either the employer or the employee.
