FUNLAND EMPLOYMENT INFORMATION

Game Attendant

Summer 2020

JOB DESCRIPTION

Game Attendant

- Operate 17 amusement rides
- Operate the Jungle of Fun, Food Cart, Haunted Mansion Photo Stand and the Funland Store
- Work with children and the public every day in a customer service position
- Give out prizes to customers that win one of our games
- Work outside at the beach all summer making memories to last a lifetime
- We understand that this is a first job for most game attendants and we want to make sure it is a wonderful experience

As a game attendant your primary responsibility is to operate our 17 amusement games and the Jungle of Fun in a safe and efficient manner. You will rotate on a daily basis between different games so that you have more variety and fun! Most days you will work two different games and sometimes more. Since our entire staff rotates each day you get to know all 100-125 employees and it is a great opportunity to make lasting friendships. Teamwork is the key to our success and is the cornerstone to being a good Funland employee.

As a game attendant you will be trained how to operate each game efficiently and effectively. We will send you out to your assigned game with money in a game bag. You are responsible for that money plus all the money you collect while at the game. You celebrate the excitement of a win with each customer and provide them with the appropriate stuffed animal or prize. Speed and efficiency are the most important part of the game attendant position as we want to allow as many customers to play as possible. We provide individual skill games, group competitive games and chance games. While 90% of your job requires you to operate games we do have some other opportunities if you show interest. We have a food cart, Haunted Mansion photo stand, souvenir area and a ticket booth where you can also work. If you have an interest in those areas and have done a nice job in the games position we try to offer those areas to work as well.

COMPENSATION

Game Attendant

- \$9.25 hourly base wage
- End of season performance bonus worth up to \$1.00 for every hour worked during the summer. That could be the equivalent of two paychecks! 💰
- Wages increases totaling \$2.00 occur over the last three weeks of the summer totaling \$2.00. Pay day is every week on Friday

Summer Earning Examples

Total Hours	250	300	350
Pay Rate	9.25	10.00	\$10.00
Total Pay	\$2,313	\$3,000	\$3,500
End of Season Wage Increases	\$75	\$75	\$75
Bonus \$.85	\$213	\$255	\$298
Total Summer Earnings	\$2,600	\$3,330	\$3,873

As a Funland employee you will be paid \$9.25 per hour. Most game attendants work approximately 30 hours per week over 5 days during the middle of the summer.

During the last three weeks of the summer we increase the hourly wage to reward those employees that stay until the end of our season. Starting Friday, August 21st, wages increase \$.50 to \$9.75 per hour. Friday, August 28th, wages increase another \$.50 per hour to \$10.25. Friday, September 4th, wages increase another \$1.00 to \$11.25 per hour through the last day of our season which is Sunday, September 13th, 2020. That is a \$2.00 increase over three weeks which can make a big difference.

Funland offers an end of season performance based bonus. You can earn up to an additional \$1.00 for every hour worked during the summer. With an average game attendant working approximately 250-300 hours over the season it would be equivalent to another large paycheck! Your bonus is tied to a form called a Duration of Work Agreement. If you stay for the time you commit to on the form you become eligible for the bonus. Once eligible, you are then evaluated on your performance for your seasonal bonus.

Looking at the potential for summer earnings you can reference the chart to the left. I used the average bonus from 2019 to help show what you might expect from a full season of employment.

HOURS & SHIFTS

Game Attendant

- Average employee works 25-30 per week once school is not in session
- Most game attendants work 5 days a week with two set days off per week
- Funland offers two main shifts and you alternate between starting at 10am and 1pm
- You never work before 10am and you don't work past 7pm.
- Funland works very hard to provide the best work experience. We know that this is the first job for many employees and we want to make sure it is a positive one.

Funland expects game attendants to work an average of 30 hours per week over 5 days once school has finished and they start full time. There are two main shifts that a game attendant is scheduled. The first shift is 10am-5pm (shift A) and the second shift is 1pm-7pm (shift B). Each shift allows a 30 minute unpaid lunch or dinner. Funland generally offers a mix of both shifts unless there is need to work only one of the shifts. Most game attendants take two days off each week and we like to set those two days for the entire summer if possible. Funland also realizes that this is a first job for most game attendants so we are flexible to make the work experience a positive one.

SHIFT A

10am-5pm

(lunch break from 1pm-1:30pm)

SHIFT B

1pm-7pm

(dinner break from 5pm-5:30pm)

EXAMPLE WORK SCHEDULE

FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY
SHIFT A	SHIFT B	SHIFT A	OFF	SHIFT B	SHIFT A	SHIFT B
10am-5pm	1pm-7pm	1pm-7pm	OFF	OFF	10am-5pm	1pm-7pm

In the example listed above for a normal week you would work 29.5 hours. Please let Funland know how many hours you would ideally like to work and we can try to accommodate.

Summer 2020

● FREE RIDES

- As a Funland employee you can ride all the rides for free. It is a fun way to hang out with your work friends when you finish a shift or on a day off

● COMPLIMENTARY TICKETS

- As a Funland employee you are allowed a certain number of complimentary tickets for your family

Summer 2020

EXPECTATIONS

- Safety, Courtesy, Hustle/Speed
- Smiley, Friendliness, Hardwork
- Team work

SAFETY - COURTESY - HUSTLE

The safety of our customers is the most important part of your job at Funland. We have no tolerance for safety infractions. Our customers come to the park to have fun and smile. Our #1 priority is SAFETY. Our employees must be happy, helpful and ready to go above and beyond for the children and adults visiting the park. If you like to smile and watch children smile then Funland is the place for you. We are very busy at Funland so it is important to be able to work in a fast paced environment. We want to accommodate the needs of as many customers as possible and our employees are the key to that.

2020 CALENDAR

Game Attendant

Funland opens for the 2020 season on Saturday, May 9th 2020

Funland is only open weekends until Friday, May 29th when the park opens everyday

Funland's last day for the 2020 season will be Sunday, September 13th 2020

The 2020 season will run from Mother's Day Weekend (5/9-5/10) until the weekend after Labor Day Weekend (9/12-9/13). Since Funland is only open two weekends in May before Memorial Day Weekend, we are asking employees to work both weekends and Memorial Day Weekend. Even if you are only able to work part of the second weekend, it is very important for staffing the park.

Opening weekend, Mother's Day Weekend (5/9-5/10) is our first training weekend. The next weekend (5/15-5/17) is our second training weekend. If hired you must attend at least one training weekend and Memorial Day Weekend. If you are able to work both training weekends it would be greatly appreciated. If hired you will confirm on the Pre-Season Planner your commitment for the weekends in May. This significantly helps reduce questions about that time period.

All Funland employees complete a Duration of Work Agreement when hired. This form is where you indicate your work commitment to Funland during the summer. You indicate any time-off you plan to take over the summer as well as your full time start and end dates. Your ability to follow through on the commitment you make to Funland is so important to us it determines if you can receive the seasonal bonus.

Before making your decision to work for Funland, be advised that most of your time as well as your best effort will be expected. Funland continues to get busier each summer, and we need as much help as possible from the moment we open until the last day of the season. While Funland will remain as flexible as possible with time off, Funland is a seasonal business, and we must keep a full staff to operate safely and efficiently throughout the entire season.
