Summer 2026

FAMILY STATEMENT

- **Funland employees are more than just staff. When you work with our family, we want you to feel like part of our family.**

**Some of the Funland family members that
work with you during the summer!**

We realize that our success is due to all of the dedicated and loyal Funland employees who have worked over the last 60+ years. We want you to know that when you work with our family you are not just another employee but part of our family. Several generations of Funland family members are actively involved in the daily operation of the park so we get to know our employees on a personal level since we work side by side all summer! Many employers are only interested in how many hours you will work or how many shifts you can cover but we want this to be a well rounded experience where you also make friends, grow and create lasting memories.

Throughout the summer our family offers opportunities to interact with your co-workers outside of work. We offer pizza every week after our employee meetings, multiple games tournaments throughout the summer, a movie night, Skee-ball/ bumper car nights, Employee BBQ, employee breakfast, Employee Appreciation Day, Labor Day Raffle and more. At the end of the summer we hope that you not only worked hard and made great money but that your time at Funland was more than just a job.

END OF SEASON BONUS

At Funland, we reward dedication and performance with an end-of-season bonus opportunity! You can earn up to an additional \$1.00 for every hour worked during the summer, which for many employees is the equivalent of an extra paycheck. This bonus is based on two factors: your commitment to the agreed-upon duration of work and your performance.

To qualify for this bonus:

1. Complete a Duration of Work Agreement (DOW): To be eligible, you must submit a DOW form and honor the agreed upon commitment you made and work 100 hours or more in a season.
2. Performance Evaluation: If criteria 1 is met, at the end of the season your performance will be reviewed to determine your bonus amount, with last summer’s average bonus at \$0.89 per hour out of \$1.00.

Please note that the end-of-season bonus program is voluntary and not part of an employment contract. Funland offers at-will employment only.

COMPETITIVE PAY & FLEXIBLE HOURS

Funland provides competitive pay and the flexibility to work nearly as many hours as you’d like. Many of our team members find they can meet their weekly hour goals without needing a second job, allowing them to focus on maximizing their experience here.

HOURS & SHIFTS

Ride Operator & Game Attendant

- You rarely work before 10am or after 11pm
- Funland will work with each employee to determine the best number of days/hours to work each week. Both full time and part time shifts are available.
- Employees can work up to 6 days a week if interested.
- Funland offers two main shifts starting at either 1pm and 5pm.
- Most shifts require employees to be available during the evening when Funland is most busy.
- If someone is looking for a lot of hours, we also have extra work shifts before the park opens to the public as we prepare for each day.

As a Funlander, you get one full day off each week unless you request additional time off. If you are traveling with a group of friends we can provide you with the same day off so you can spend time together on the beach or just hanging out. Most J-1 Visa students are looking for 55+ hours per week and that is not an issue. If you do not want to work that many hours you can work a few at 40 hours a week.

Funland offers two main shifts during the summer which are listed below. Based on how many hours you are interested in will determine how many of each shift you are assigned. During the main part of the summer Funland opens the games at 10am each day so it is not uncommon to have that shift attached to a B shift.

SHIFT A

1pm-5:30pm - Dinner Break - 6:30pm-11pm

SHIFT B

5pm-11pm

EXAMPLE WORK SCHEDULE

FRIDAY	SATURDAY	SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY
SHIFT A	SHIFT B	SHIFT A	OFF	SHIFT B	SHIFT A	SHIFT B
1-5:30 7-11pm	10am-1pm 5-11pm	1-5:30pm 6:30-11pm	OFF	5-11pm	1-5:30pm 6:30-11pm	10am-1pm 5-11pm

Using the example above you would work 52 hours but again there is an opportunity to work more A shifts instead of B shifts.

EXPECTATIONS

Ride Operator & Game Attendant

- Safety
- Courtesy
- Hustle/Speed
- Smiley
- Friendliness
- Hard work
- Team work

As a Funland employee we expect three main things from our employees.

=====

SAFETY - COURTESY - HUSTLE

Safety is our most important responsibility and is the most important part of your job. Our customers come to the park to have fun and smile but it is our responsibility to keep them safe while in the park. Our employees must also be happy, helpful and ready to go above and beyond for the children and adults visiting the park. If you like to smile and watch children smile, Funland is the place for you! We are very busy at Funland, so it is important to be able to work in a fast paced environment and an outdoor environment. We want to accommodate the needs of as many customers as possible and our employees are the key. If you are ready to work hard, smile, make great friends then you should consider working with our family.

2026 CALENDAR

- **Funland opens for the 2026 season on Saturday, May 9th 2026. (Mother's Day weekend)**
- **Funland will only be open weekends until Friday, May 29th, 2026 when the park opens daily.**
- **Funland's last day for the 2026 season will be Sunday, September 13th, 2026.**

Funland operates for three weekends before opening full-time in early June. We consider the first two weekends training weekends and employees are expected to attend at least one of these weekends for orientation and hands-on training. Attendance during the third weekend, Memorial Day Weekend, is mandatory, as it's our busiest weekend of the season. If hired, you will confirm your availability for these weekends on the Pre-Season Planner form*, which helps us manage scheduling and ensures we have adequate coverage.

All employees complete a Duration of Work Agreement* to outline their full-time start date (typically 4-5 days per week), any planned vacations or scheduled time off, and their intended last day of work for the season. This form is critical for our seasonal planning and is also tied to eligibility for the end-of-season bonus.

At Funland, we aim to create a fun, rewarding experience for both employees and guests. As a seasonal business, we experience high demand from opening day to the end of the summer, so your commitment and best effort are essential. While we strive to accommodate time-off requests, maintaining a full, reliable staff is crucial for keeping the park safe and enjoyable for our guests throughout the season.

Note: *Completion of the Pre-Season Planner and Duration of Work Agreement forms does not constitute an employment contract. These forms allow Funland to coordinate scheduling based on availability. Funland maintains an at-will employment relationship, meaning employment can be terminated at any time, by either the employer or the employee, with or without notice or reason.
