

PRACTICE DAY PROTOCOL

Gates are to remain locked during the day and locked at the conclusion of each day as you depart the track.

1. A 10 MPH SPEED LIMIT exists between the front gate and the track, please respect it
2. NO ONE may drive onto, over, or through the drag-strip racing surface
3. Motorized equipment / drivers may enter the track with only approved safety gear
4. No other equipment (i.e. kart retrieval) is allowed on the racing surface until the track is "cold"
5. Fire extinguishers MUST BE set out prior to starting up engines
6. Insurance waiver forms are on hand in the mailbox under the tower. (These must be signed by every participant.) These are as follows:
 - a. NKA adult consent forms
 - b. NKA minor consent forms (if needed, must be signed by every participant)
 - c. Spectators are NOT allowed on the track, instead may watch in a designated area
 - d. Practice fees are: \$35.00 for each non-member
 - e. Spectator fee is \$2.00 per person 5 years and older, per day
 - f. Gate code will be provided after payment is received (PayPal, credit card, Apple Pay)
7. Venue Etiquette: All rules that govern the track must be followed. It is the responsibility of both those practicing and others in the group to honor the rules posted at the track
8. No motorized cycles, scooters, buggies, are allowed to operate in the pits or on the track
9. Please put all trash into proper containers. Do not leave discarded tires at the facility
10. Drugs are prohibited on this and all City of Redding properties. This includes marijuana, regardless of doctor's permission (zero tolerance)
11. No person may be allowed on track without first filling out the proper paperwork and wearing the proper safety gear

We hope you will enjoy this venue that so many have worked hard to make available to the community. On behalf of the City of Redding, PLEASE put safety first, and enjoy your time in the north state.
