weeks must be done in a sanctioned State of Iowa
league or any states bordering Iowa. Border state
league players will have an added fee of \$10.00 singles
and \$20.00 per team.

(Border state players are Not Eligible for Standard Div.)

Team Events: Any four players from the same
league base can compose a team.

Using the MPA format with a 16-game score sheet
with ball count (NOT just win/lose).

Teams will be handicapped by the players' singles
rating. If no singles, or out-of-state players; will be
rated by checking play in other tournaments or
known ability.

Handicapping means all teams will be ranked and put
into groups according to their skill levels. The lowest
handicapped group will play each other, the middle
handicapped will play each other, and highest
handicapped will play each other all on the same
bracket. No one from any level will meet someone
from another level until the finals. Visit
