

RECLASSIFICATION REQUEST FORM

Requirements to reclassify to a lower division:

- 1) The player must have competed in 2 (two) IA ACS state tournaments in their current division, and not have finished "in the money." Failure to cash is NOT a guarantee that the reclassification request will be granted.
- 2) The player's League Operator must submit this request to the IA ACS Qualification Committee by August 1st.
- 3) At this time, if you are an Open player, you are not allowed to drop back into the Standard division.

NOTE: The IA ACS Qualifications Committee reserves the right to deny any reclassification request, based on known ability, tournament results (IA ACS or otherwise), or any other factor

League you play for: _____

- **What do you want to do?**

- Elite to Master Master to Advanced Advanced to Intermediate
 Intermediate to Open

- What year were you moved into your current division (if known) _____
- Why do you as a player feel you should be reclassified?

I have read and understood the rules governing reclassification requests, and feel I have met the requirements. I now request to be reclassified to the division selected above. I further understand that, based on my observed abilities, my request may be denied, and I may be required to continue playing in my current division.
