

Principles of the Carter County Republican Party

Preamble

With gratitude to Almighty God, as acknowledged in the Preamble of the Oklahoma Constitution, we affirm the foundational principles of both the Oklahoma and United States Constitutions. We recognize that our rights—life, liberty, and the pursuit of happiness—are granted by God and protected by law. We support limited government, local control, and individual responsibility. We commit to preserving the freedoms of Oklahoma citizens through adherence to constitutional governance at the county, state, and federal levels.

Core Principles

1. Right to Life

We affirm the God-given right to life from conception to natural death and support policies that protect the unborn and vulnerable.

2. State and Local Sovereignty

We support the authority of Oklahoma's state and local governments to resist federal overreach, and only support matters, policies, and decisions that exclusively reflect local values and needs.

3. Safeguarding Religious Liberty

We uphold the Constitutional rights of Christians to freely practice and share their faith, recognizing Christianity's vital civic role in shaping the politics, law, and public life of the United States. We advocate for a society that honors these rights while prudently tolerating other beliefs to foster peace and the common good.

4. Second Amendment Protections

We support the unrestricted right of law-abiding citizens to keep and bear arms, as protected by the U.S. and Oklahoma Constitutions.

5. Traditional Family Values

We recognize marriage as a union between one man and one woman and support family-centered policies that promote stable communities.

6. Parental Rights and Education Freedom

We affirm the right of parents to direct the upbringing and education of their children, including homeschooling and school choice options across Oklahoma.

7. Economic Liberty and Local Prosperity

We support free enterprise and limited government regulation to foster small business growth, job creation, and local economic development in our communities.

8. Healthcare Freedom

We believe Oklahomans should make personal health decisions without mandates or coercion from government at any level. We affirm every patient's right to informed consent, ensuring decisions are made freely and without duress.

9. Public Safety and Rule of Law

We support law enforcement, constitutional sheriffs, and local justice systems. We reject soft-on-crime policies that endanger our neighborhoods.

10. Election Integrity

We support secure, transparent, and verifiable elections in Oklahoma. Voter ID, clean voter rolls, and in-person voting are essential to protecting our republic.

This platform reflects the priorities of Carter County Republicans and our commitment to defending liberty at the local, state, and national levels.

Approved by the Carter County Republican Party at the General Meeting of Precincts on May 6th, 2025.
