

CYRE Program Overview 2018-19

The mission of the CYRE program is to inspire lifelong Unitarian Universalist faith formation in a spirit of wonder and with courageous love. We fulfill this mission through the development of...

- open minds, (grow)
- loving hearts, (connect), and
- helping hands. (act)

Here's what's happening in child and youth religious education during the 2018-19 program year:

Childcare: Open Sundays from 9:45-11:15am in the Spruce Room for children up to 5 years old who are not in kindergarten. The predominant curriculum for this age group is focused on love, security and safety, personal value. When preschoolers attend, there will also be stories and activities from a Story Time curriculum and a “lighting” of chalice, and sharing of joys and sorrows. NOTE: On Sundays when there are no religious education classes for children and youth, child care is provided for children through 2nd grade.

Kindergarten/1st Grade:

- F/W - theme-based Soul Matters curriculum, based on the monthly themes of the congregation;
- W/S - early elementary level of the Our Whole Lives (OWL) sexuality education curriculum.

2nd-3rd Grades: Theme-based Soul Matters curriculum.

4th-5th Grades:

- F/W - upper elementary level of the Our Whole Lives (OWL) sexuality education curriculum;
- W/S - theme-based Soul Matters curriculum

6th-8th Grades: The new Crossing Paths Soul Matters curriculum focused on world religions.

9th-12th Grades: Within the context of monthly themes, youth have chosen to learn about different philosophies and take part in service to others plus spiritual practice as they discern what it means for them as individuals to live life as a Unitarian Universalist.
