On September 18, 1973, the Presbytery of Redstone took action directing that the manse be inspected each year by the Trustees or the Session**, in consultation with the minister and spouse,** and that the questionnaire be returned to the Stated Clerk of the Presbytery with the annual reports. The inspection should include at a minimum the following areas:

a. The yard and lawn
b. Exterior of the house and garage, if applicable
c. Roof on house and garage
d. Porches, walks, foundations
e. Condition of interior rooms, floors, walls, windows, paint/paper
f. Electrical System
g. Heating System
h. Plumbing System

Was the manse Inspected? Yes _____ No _____

We don't have a manse _____
