

HIGH SCHOOL GIRLS RULES OF PLAY & SCHEDULE

- All players must wear their league jersey (no jersey, no play!)
- All players must have required eye protection, mouthpiece, & footwear (NO CLEATS). Bring your own water!
- The games will start at 4:00 (players should arrive at least 10 minutes prior to stretch and warm up).
- Each game is 50-minutes in length (running clock).
- Everyone plays (player substitution will take place after a designated amount of time).
- 5 players on the field (everyone plays offense and defense). Teams that do not have a goalie can have a 6th player that plays inside the defensive zone only.
- A face-off will be done to start the game. Goalies will clear the ball after the goal is scored.
- “7 goal lead rule” (team losing by more than 7 will automatically be awarded the ball after a goal at the mid-line)
- Overtime is for 2 minutes or “sudden victory” (after 2 minutes, if no team has scored, a tie is declared).
