

## **Hiring: PROGRAM OPERATIONS MANAGER**

Join our dynamic and innovative gaming company that's passionate about creating immersive and cutting-edge gaming experiences. No prior gaming experience needed, we will train.

### **Main Responsibilities**

#### Day-to-Day Operations:

- Collaborate with stakeholders across departments to oversee day-to-day operations.
- Manage ongoing projects.
- Handle promotions and daily operations in CRM.
- Ensure seamless coordination between teams to drive efficient workflow and execution.

#### Project Management:

- Oversee projects from initiation to completion, ensuring timelines and quality standards are met.
- Drive innovation by identifying areas for improvement and implementing creative solutions.
- Adapt to changing priorities and challenges with a proactive mindset.

#### Reliability and Efficiency:

- Demonstrate high reliability in managing critical tasks and projects.
- Implement efficient operational processes and identify opportunities for improvement.
- Be willingly available after work hours on an on-demand basis.

#### Cross-Functional Collaboration:

- Engage with stakeholders from all departments, fostering effective communication and collaboration.
- Communicate efficiently with relevant personnel to deliver tangible results promptly.

### **Requirements**

- Experience: 2-4 years of experience in an operational role (Project Manager or similar positions).
- Educational Background: Preferred: A bachelor's degree or equivalent in a relevant field.
- Technical Acumen: Possess technical affinity and a grasp.
- Fast-paced environment: Thrives in a fast-paced and dynamic work environment.
- Reliability: Demonstrates high reliability in delivering on responsibilities and meeting deadlines.
- Cross-functional collaboration: Proven experience working collaboratively with stakeholders from diverse departments.
