Christmas Charity Bazaar

Welcome to the First-Ever Duncanville Women's Club Christmas Bazaar Guide!

In this special newsletter edition, we're bringing you everything you need to know about the upcoming Bazaar—from the beloved traditions we're keeping, to the exciting new additions debuting this year. You'll get an exclusive sneak peek at our Silent Auction lineup, answers to frequently asked questions, and for our newcomers, a helpful step-by-step preview of how it all works.

Let's make this season festive, fun, and full of holiday cheer!

First Up: A Quick Guide for Newcomers!

Planning to attend the Christmas Bazaar? Wonderful! Here's how it works:

 This festive event is held in conjunction with our December Luncheon—both happening at the same venue.

-  To join the fun, you'll need to RSVP to the luncheon by the deadline. *A confirmed reservation is required to shop.*
-  Feel free to invite friends or family—guests are warmly welcomed and encouraged to join the fun! Just be sure to RSVP for yourself and anyone you're bringing along.
-  Event details: **December 3, 2025, at First United Methodist Church, Cedar Hill**

Don't worry—you'll receive plenty of reminders before the RSVP deadline, so keep an eye out for upcoming communications.

Let the Shopping Begin!

The Bazaar opens early, giving you plenty of time to explore and find just the right items before the luncheon begins. As always, all proceeds go to support local charities, so bring your checkbook and shop generously!

 Please note: we'll be accepting **cash and checks only—no credit cards.**

New This Year:

To help everything run smoothly, we ask that purchases be made **at each individual section cashier except the silent auction**, rather than paying for everything at once with a single check. This change will reduce wait times and clear up the confusion some experienced last year at checkout.

We'll define each shopping section right here in this guide as we progress through the process—so everything stays clear and easy to follow.

Grab Bags Are Back!

They've been a Bazaar favorite for years, and this year is no exception—grab bags are just \$1 each and filled with surprises! Duncanville Women's Club members have packed over 500 bags, with the Bazaar Committee reviewing the contents to make sure each one is ready to delight.

 Each bag is a mystery wrapped in holiday cheer! You take your chances, open your bag, and enjoy the thrill of discovery. We hope you discover something wonderful!

 Feel free to scoop up as many as you'd like—these festive treasures never last long!

Raffle Fun & Festive Prizes

One of the most beloved Bazaar traditions is back—the Raffle Table! This year's lineup includes fantastic prizes and the ever-popular Gift Card Tree, brimming with cards from local businesses and restaurants.

 Here's how it works:

- Choose the prizes that catch your eye.
- Drop your raffle ticket(s) into the cup placed in front of each item.
-  When names are drawn, your ticket could be the lucky winner!

You're welcome to purchase as many raffle tickets as you like—the more you enter, the better your chances to take home something special!

Baked Goods Sale & “Buy Now, Receive Later” Dishes

The talented women of the Club have been busy whipping up their favorite sweet and savory delights for this year's Baked Goods Sale!

 **New this year:**

- All cakes will be featured on the Silent Auction Table.
- Cookies, candies, and savory treats will be available for immediate purchase at the Baked Goods Tables.

Back by popular demand!

Our “Buy Now, Receive Later” Casserole and Dessert Packages return—along with other prepared dishes and desserts you can enjoy any time during the year.

 Here’s how it works:

- Choose your dish and purchase the package.
- Receive a certificate noting the Club member who will prepare it.
- When you’re ready (whether it’s a busy weeknight or a special celebration), just call the member on your certificate—they’ll make your dish and deliver it with care.

New This Year: The Bazaar Store!

We’re shaking things up! Instead of placing all items in the Silent Auction, this year we’re introducing the Bazaar Store—your one-stop shop for quick and easy holiday purchases.

 Here’s how it works:

- Step up, browse the offerings, and select your favorites.
- Items will be priced at \$5, \$8, \$12, \$15, or \$20, each marked with a colored dot to indicate its price. Just match the dot to the price chart and shop with ease!
- Head to the cashier, make your purchase, and you’re done!
- No bidding, no waiting—just instant holiday gratification!

Feel free to shop to your heart’s content—there’s no limit to the joy you can take home!

And Now... The Grand Finale: The Silent Auction!

Whether you're a seasoned bidder or joining for the first time, here's how to take part in one of the most exciting parts of the Bazaar!

Your Bidder Number

Find your bidder number printed on the back of your name tag—it’s your key to participating.

How It Works

- Spot something you love at the Silent Auction tables?

- Write your **bidder number** and **bid amount** on the item's bid sheet.
- Bidding continues until approximately halfway through lunch.

Keep an Eye on Your Favorites!

If you're actively bidding, be sure to check the bid sheets often—competition can be festive and fierce!

Silent Auction Surprise: “Buy Now” Magic!

Can't bear to lose that perfect item to another bidder? We've got you covered! Look for the  **“Buy Now” price** on the bid sheet—it's your golden ticket to instant treasure.

Here's how it works:

-  Spot the item you adore
-  Snag it before anyone else
-  Head straight to the **Buy Now Table** to purchase it at the listed price

Yes, the Buy Now price is a bit higher than the bidding—but it guarantees that special something is yours to keep!

 No waiting. No nail-biting. Just instant joy!

When Bidding Closes

- The Bazaar Committee will gather all bid sheets and determine the winners.
- Once processing is complete, winners can collect their items after visiting the cashier.

Payment Made Simple

As you shop your way through the Bazaar, please remember:

- Each area has its own cashier station—please be sure to pay at the one where you made your purchase. The Bazaar Store and Bake Sale will share a single cashier, conveniently located between the two sections. Just look for the combined checkout spot!
- This helps us keep things running smoothly and ensures you receive your items promptly.
- We accept **cash or checks** only—**no credit or debit cards**.

Thank you for helping us make the day seamless and festive! 🎁

Giving Beyond the Bazaar

If you don't spot an item to purchase but still wish to support the charities we proudly stand behind—or if your heart inspires you to donate even more—there will be a designated spot for additional contributions.

- You're welcome to leave checks or cash to go directly to our featured charities.
- You can also browse materials from our Bazaar sponsors—local businesses that generously helped make today possible. Please consider supporting them when you need products or services.

Your compassion keeps our community thriving. Thank you for giving generously and for making a difference. ☀️
