JANUARY/FEBRUARY 2025

Joanna's Jottings

"It's A New Day"

It is Sunday 29th December 2024

And in our Church service today, there was a move of the Holy Spirit that will stay with me forever... signs and miracles took place. A spontaneous move of Gods presence and power... "Let the fire fall" ... Amen...

I have just arrived home on this same blustery evening as after the service our dear friend David Willows fell and needed medical attention fast. Also in the A&E in Northallerton was our dear friend Colleen (now 95). She was just leaving, fallen and broken some ribs, very painful but we were happy to see each other in these circumstances, still feeling that the "Blessed Assurance, Jesus is mine..." Jesus was with us!!

All the prophetic words today were profound encouraging and direct into our hearts and lives and relevant as we journey into 2025.

This is the year of an anointed outpouring of the Holy Spirit.. YES!!

Let's prayerfully enter this new year and watch and see what God will do in your life as individuals and collectively as a Church, moving forward...

With Sincerity, Love And Every Blessing For 2025

Pastor Joanna

P.S David Willows and Colleen are back at home resting and recovering – Prayer works

Jim's Jottings

Just a short word of challenge from Jim as we proceed into this next year, as the fire and power of the moving of the Holy Spirits presence MANIFESTS before all those present on Sunday afternoon with evidence of the Holy Spirit manifesting among us, in words and signs before us. This is not a day to sit silent and be a spectator, but rather to put your armour on, and contend for the word of the Lord and see new names being added to the Church Of Christ. Not men and women of straw, but soldiers of the Cross of Jesus Christ.

Rise up and be the warrior that your Saviour asks you to be, starting now.

Pastor Jim
