**'A NEW DAY DAWNING'**

It feels like winter has passed... Its behind us...

A new day has dawned – the birds are singing a new song...

The first glimpse of Blossom...

I marvel at the freshness of a new day...

Dew on the grass...

Everything is waking up...

The earth starts to rumble with movement...

There's an expectation about what a new day means...

The old theme song of many years has been resounding in my heart for months now. Its meaning and the lyrics resonate in my heart and my life... "Bless the Lord oh my soul, oh my soul"

"The sun comes up it's a new day dawning"

As lent approaches and as we look towards Easter... a significant yet victorious time for Christians all over the world –

Let us reflect on how we can improve our walk with Jesus, our Family, friends, our community.

Again, I urge you to "Seize the new day" and make everyday count for 'Him' our loving Saviour and Lord.

You have everything to live for...

**P.T.O**

'Living for Jesus' was my very first album at 16 years old!!

Approaching my 60<sup>th</sup> ish....!

Am I still living for 'Him'?

Most certainly YES!

Are you...??

*Sincerely, Pastor Joanna*

### **Jim's Jottings**

Dear Family of God at Hollybush.

These last few weeks I have been off the premises at the hospital which I managed to endure.

Whatever has happened, I am so thankful that I was looked after well by the hospital team & my family (Joanna & Gabriella)

I am also so thankful that I took my bible. A lady came to me from the Middle East and straight away said to me "Oh Jim, lovely to meet you! I have got a Miracle Valley book of yours, which was very helpful to me." It makes me happy to think that those books are owned by various people all over the world.

Thankfully, I have had many calls and letters which is nice that many people have cared for me. Thanks be to God that I know many people are praying for me and rejoicing for me and with me. I do appreciate how well I am prayed for by the Family of God.

Hopefully I will be walking about shortly.

I miss you all.

My heartfelt greetings to the whole of the family at Hollybush. I love this family of God, so closely knitted together.

*Pastor Jim*
