BUILT FOR THE LIVE STAGE

Them Guys bring a high-energy modern rock show built around massive hooks, crushing guitars and an immediate connection with the crowd.

Hailing from Louisiana, the band blends the weight and aggression of contemporary hard rock with melodic choruses built to connect beyond their existing fanbase.

From the first note to the final hit, Them Guys approach every performance with one objective:

WIN THE CROWD.

FESTIVAL FIT

01 | PROVEN SUPPORT

THE MUSIC

STAY WITH ME

NEW SINGLE • SEPTEMBER 4, 2026

“Stay With Me” captures Them Guys at their most immediate, pairing heavy modern-rock guitars with powerful vocals and an anthemic chorus built to connect. Emotional, melodic and unapologetically loud, the track showcases the balance of weight and accessibility that makes Them Guys a natural fit for today's rock festival stage.
