Dr. Francisco Contreras

*Pioneer in faith-based, patient-centered cancer care
Author, speaker, and global educator*

60+ years of experience in integrative oncology

Who is *Dr. Contreras*

Dr. Francisco Contreras, MD, is a pioneering leader in integrative oncology and the Medical Director of Oasis of Hope Hospital in Tijuana, Mexico. For more than three decades, he has carried forward the vision of his father, Dr. Ernesto Contreras, Sr., blending conventional cancer treatments with nutrition, emotional support, and spiritual care to create a holistic healing model. Under his leadership, Oasis of Hope has treated more than 100,000 patients from over 60 countries and has been recognized globally as one of the top centers for body–mind–spirit care.

Dr. Contreras received his medical degree from the Autonomous University of Mexico in Toluca and completed his surgical oncology training at the University of Vienna, graduating with honors. He is the author of 15 books, including *The Art and Science of Undermining Cancer*, *50 Critical Cancer Answers*, *The Hope of Living Cancer Free*, *The Coming Cancer Cure*, *Beating Cancer*, and *Dismantling Cancer*.

His international influence extends beyond the clinic. He has spoken at major conferences, such as the World Conference on Breast Cancer, and addressed governmental and medical organizations, including the Georgia House of Representatives Health Policy Task Force, the Japanese Medical Association, and the Mexican Health Advisory Board in Slovakia. He is also active with the Cancer Control Society and other patient advocacy initiatives.

Known for his ability to balance clinical innovation with spiritual grounding, Dr. Contreras is recognized worldwide as a physician who treats the whole person—body, mind, and spirit. Today, his mission is to serve not only as a medical director, but as a global guide and educator, equipping patients, caregivers, and physicians with clarity, faith-forward science, and hope. Through this next chapter of his work, he extends access to innovative therapies, such as ImPACT, while empowering individuals everywhere to navigate cancer with wisdom and courage.
