

Austin County Fair

School & Independent Study Art Show

Exhibitors can participate in both School Art and Independent Study.

★ For School Art entries, exhibitors work together with a teacher to help support and guide the student. If their piece is chosen through the School Art program it will be handled through the school and on exhibit during the fair.

★ For Independent Study, exhibitors are encouraged to work on their piece over the summer, independently and submit directly to the fair.

Youth Supreme Best of Show pieces will be considered for the Youth Supreme & Country Auction and Sell on October 11, 2025

For a full set of rules and deadlines please see:
