Champion Drive Exhibitor Application

The 2018 Austin County Fair is fast approaching. The 91st annual fair will begin with the Fair Fest October 5th through 7th, followed by the Fair October 8th through 14th. The Champion Drive is a new event at the Austin County Fair this year and we are excitedly planning and preparing for the Champion Drive. This event will pair special needs students from our county with a “buddy” exhibitor and they will show at the Champion Drive Livestock Show on Monday, October 8, 2018.

The purpose of the Champion Drive is to provide special needs youth in Austin County the opportunity to participate first-hand, in a livestock show experience. Special needs exhibitors will participate in a traditional multi-species show. Species that we could use are pigs, bucket calves, rabbits, goats and turkeys and will be matched based on the physical and emotional needs of exhibitor participating in the event. Each exhibitor will be assigned a “buddy.” Buddies are 4-H and FFA members that will assist exhibitors with exhibition of the livestock projects. Each exhibitor in the show will receive an awards, an exhibitor shirt, photo with their buddy and a catered lunch for all exhibitors, buddies and sponsors. We are so excited to share the livestock showing experience with students that may have never ever thought that they could participate.
