Dear Friend:

Last year, the Austin County Fair Association established the “1927 Club” in the antique building closest to the Bier Garten. Our first year was a success which enabled us to provide funds for the Austin County Fair scholarship program to graduating High School Seniors of Austin County high schools. Since 1991, the Fair Association has given \$700,000+ in scholarships.

Because the “1927 Club” is still new, you might ask - Why is it called the “1927 Club”? 1927 is the year a group of five Directors came together to form an association to encourage agriculture and horticulture by the exhibition of livestock and farm products. That small group has grown into fifty Directors and hundreds of volunteers who make up the Austin County Fair Association and continue that same vision.

You might also ask, how does the “1927 Club” work? The “1927 Club” will be open 7pm-midnight on Saturday, October 5 and Thursday – Saturday, October 10-12. As a member of the 1927 Club, you will enjoy complementary food and adult beverages in comfort while visiting with family, friends and business associates and listening to the Nashville entertainment playing at the Brandes Entertainment Center. Not only does a “1927 Club” membership provide fellowship and refreshment but provides free parking at the Fair (days that Club is open) and entry to the Fair Grounds. Each member of the “1927 Club” will receive a different colored armband for each night the Club is open. Thus, if you can’t attend a night, you may pass that armband to your family, friends, business associate, customers or clients.

To be a member of the “1927 Club”, please fill-out the enclosed form and return it to the Fair office with payment. Or, if you would prefer to charge it, please call the Fair office and they can help you with that as well. We are looking forward to our Fair and hope to see you there!

Sincerely,

Robert Winkelmann
President

Mike Murphey
1927 Club Chairman

_____ Yes! I want to be a member of the 1927 Club! Enclosed is \$500 per person. This will serve as my Season Pass into the Fair all 10 days and will provide free parking the days the "1927 Club" is open. The daily VIP wristband can be given to friends, family, business associates, clients and customers. Please arrange pick-up or delivery of VIP Armbands.
