

## **PRESS RELEASE**

What a crazy year we've had so far!! The Austin County Fair Association wants everyone to know we are working hard to provide the safest Fair we can, while still providing all the fun for which the Austin County Fair is known. We are in weekly – sometimes daily – communications with local and state leaders as well as other fairs and events throughout Texas, learning from each how best to proceed.

To that end, our Queens contestants will start selling Passports to Fun and Advanced Season Passes this week. If the Austin County Fair is cancelled due to COVID-19 or by a governmental entity, anyone who has purchased a ticket which has not been used, will be able to bring their ticket to the Fair office for either a refund or to designate their purchase price to the Memorial Scholarship Fund.

As we get closer to the Fair, we will publicize any changes through press releases (as appropriate), our website ([www.austincountyfair.com](http://www.austincountyfair.com)), and social media posts that come directly from the Austin County Fair Association.

If you have any questions or need additional please contact the Fair office at (979) 865-5995 or through email at [acfair@austincountyfair.com](mailto:acfair@austincountyfair.com).
