## 2023 RULES AND REGULATIONS

The below section contains rules that are common to **both Broilers and Turkeys**, later sections will describe species specific Rules.

1. All entries are subject to the General Rules and Regulations of the Austin County Fair and to the rules governing the Youth Auction Sale.
2. Drug Testing will be performed on Grand and Reserve Champion and one (1) random. No interfering with testing area and testing official. Please see General Rules for more details.
3. **IMPORTANT NOTICE:** The threat of avian influenza and other reportable diseases continues to be of serious concern to poultry in Texas. The situation is being monitored on a continuous basis. Any requirements for testing, limitations on the movement of poultry or other activities related to this or similar matters will be handled under the authority of show officials and/or the Texas Animal Health Commission.
4. Any entry showing symptoms of disease or lacking show quality will be excluded from exhibition at the discretion of the Official Judge. ***The Official Judge's decisions are final.*** No Stock, except in the above instances, will be removed from the exhibition until the close of the fair.
5. All birds must be the property of the person entering them but birds from one family may be housed in the same facilities.
6. The Committee will provide for each exhibitor two (2) clean, one gallon coffee cans for feed and water. Each exhibitor may bring one (1) plastic or metal container in which to store feed and supplies. No paper containers will be allowed around the cages.
7. If a bird dies or is injured after it makes it through sifting, the bird is eligible for the show.
8. The Grand Champion and Reserve Champion birds must sell in the Youth Auction Sale unless this contradicts with the General Rules #1. If an exhibitor shows two (2) animals at the Austin County Fair and both animals qualify for the Youth Auction Sale, the exhibitor

must notify the Chairman which animal they want to sell by **Wednesday, October 11, 2023** by 5:00 p.m.

9. The Committee will assist with the care for the poultry projects (feed and water) on Monday thru Wednesday, so that no exhibitor will be required to miss school on that day for this reason.
10. The poultry exhibit area needs to be kept clean during visitor hours. Birds must be fed, watered and pens cleaned by 9:00 a.m. each day. In addition, exhibitors are required to change out shavings sometime between Thursday evening (5:00 p.m.) and sale day, Friday (9:00 a.m.). The Poultry Committee has assigned a group of committeemen to enforce this rule during the Fair. An exhibitor will be first given a YELLOW WARNING TAG. If the problem is not corrected by the following day, the Housekeeping Committee will then tag the pen with a RED PENALTY TAG; the exhibitor will then be subject to a \$100.00 fee. This fee will be deducted from the exhibitor's sale check should the project make the sale. Tags should only be removed by Poultry Committeemen, and it is suggested that if an exhibitor's pen is tagged, that the exhibitor contact a Poultry Committeeman as soon as possible. This rule will be STRICTLY enforced during the **2023** Fair.
11. To qualify for showmanship, the exhibitor must be present and exhibit his/her own birds during the show. Showmanship will start during the show and at the completion; exhibitors interested in showmanship will be required to bring one (1) broiler back to the show ring and possibly answer questions. No parents/guardians are allowed in the ring during showmanship. If the child cannot hold their bird, a poultry committee member will assist them. The classes will be divided according to the exhibitor's school grade as of **September 1, 2023**. Showmanship will be divided into two (2) groups: Juniors – 3<sup>rd</sup> thru 7<sup>th</sup> grade and Seniors – 8<sup>th</sup> thru 12<sup>th</sup> grade.
12. If your birds dies after the show and before the Sunday move out it must be replaced with another bird.
13. Exhibits will move out between 10:00 a.m. and 11:00 a.m., **Sunday, October 15, 2023**. Pens must be clean upon departure. If any birds are not picked up and the Broiler Committee is not notified of their status by 11:00 a.m. on **Sunday, October 15, 2023**, they will become the property of the Poultry Committee.
14. Quality Counts: In keeping with the Austin County Fair drug residue avoidance policy, ALL exhibitors are required to pass the Quality Counts Verification test for entry into the 2023 Show. Junior market and breeding show entries will not be accepted without verification code for each exhibitor. Verification codes are not required for Agricultural Mechanics exhibitors and Judging Contest contestants. The Quality Counts training and test can be found at: <https://www.texaslivestockvalidation.com/qc/qcregister.aspx>
15. It is the responsibility of the exhibitor to have their birds processed (please verify with buyer how they would like the birds processed) and delivered to their buyer within two (2) weeks after the close of the Austin County Fair. **Birds that were subject to Drug testing must wait until a negative result was confirmed prior to delivery. Exhibitors will be notified once this has been confirmed.**
