Dear Friend:

In 2018, the Austin County Fair Association established the “1927 Club” in the antique building closest to the Bier Garten. In the last four years we have been able to provide in excess of \$30,000 for the Austin County Fair scholarship program to graduating High School Seniors of Austin County high schools. Since 1991, the Fair Association has given \$982,000+ in scholarships.

Because the “1927 Club” is still new, you might ask - Why is it called the “1927 Club”? 1927 is the year a group of five Directors came together to form an association to encourage agriculture and horticulture by the exhibition of livestock and farm products. That small group has grown into fifty Directors and hundreds of volunteers who make up the Austin County Fair Association and continue that same vision.

You might also ask, how does the “1927 Club” work? The “1927 Club” will be open 7pm-midnight on Saturday, October 8 and Thursday – Saturday, October 13-15. As a member of the 1927 Club, you will enjoy complementary food and adult beverages in comfort while visiting with family, friends and business associates and listening to the Nashville entertainment playing at the Brandes Entertainment Center. Not only does a “1927 Club” membership provide fellowship and refreshment but provides free parking at the Fair (days that Club is open) and entry to the Fair Grounds. Each season member of the “1927 Club” will receive a pass/lanyard for entry into the club. Thus, if you can’t attend a night, you may pass it to your family, friends, business associate, customers or clients.

To be a member of the “1927 Club”, please fill-out the enclosed form and return it to the Fair office with payment. Or, if you would prefer to charge it, please call the Fair office and they can help you with that as well. We are looking forward to our Fair and hope to see you there!

Sincerely,

**Kathy Ignasiak**  
President

**Mike Murphey**  
1927 Club Chairman
