If you are a shopping or food vendor (or know one), Kerri & I are planning on hosting our Beat the Heat Shopping Spree on Saturday, June 25th. Mark your calendars now & more information will be coming soon!

In addition to hosting all these fundraisers, we are blessed that families continue to choose our Expo Center as a place to hold their weddings & quinceaneras. With the build-up of event venues throughout our area, we continue to be a cost-friendly option for many.

Currently, our committees are meeting & working on setting up everything so we can offer you the absolute best Austin County Fair in October!! If you would like to be on a committee, please contact the office & we will forward your information to the appropriate chairman.

Our corporate sponsorship packages are being revamped and hopefully will be coming out 2nd Quarter of this year. Please consider if there is a way for you and/or your company/family/group of friends to sponsor some of our events for the Fair. By doing so, you help in the profitability of the Fair, which then allows us to grow our scholarship program, maintain & improve our facilities & continue to be the county fair Austin County expects & is known for throughout the fair world.

Thank you for your continued support of the Austin County Fair & we can't wait to See Ya' at the Fair!
