Learning to LOVE without Fear

DEAR FRIENDS AND FAMILY,

Greetings to you! We are always thankful to God as we remember you in our prayers. Your kindness and love impacts us and brings us great joy!

We are writing to you today to share some exciting news! God is doing a new thing! He has a desire to see His Name spread across the earth and He longs for all of His children to experience His great Love! The Lord simply asks: "Whom shall I send, and who will go for us?" We've answered: "Here I am, Lord! Send me!"

Having said "YES!" to the assignment from the Lord, we thrilled to share LoveBrave with you.

Larry & Katy live in Lake Charles, LA and rode out Hurricane Laura in this tiny trailer. Larry is an amputee and Katy is blind. They had been without light, water and basic needs for 17 days. The Lord led us to them and we were able to provide solar light, water, food & love. We met many others living this way...

The Father modeled how to LoveBrave when He laid down His life for us on the cross. His love is extravagant, not cautious and is demonstrated through action. This is our assignment: LoveBrave. As we move forward, dedicating our lives to Jesus and what He is asking of us, we want to invite you to join us!

The following pages will hopefully describe who we are, what we do and how we do it. However, if you are left with questions, we would love to talk with you personally! So, please reach out via email, phone, FaceBook etc. We desire to connect and share with you all the Father is doing! May God's wonderful LOVE be poured out upon you all!

Loving Brave,
Candice Mishkin &
Jaime Lisle

WE WILL SHOW MERCY TO THE POOR
and not miss an opportunity to do acts of kindness for others, for these are the true sacrifices that delights God's heart.

LOVEBRAVE

Learning to LOVE without fear

We demonstrate LOVE in action. 1 John 3:19

What we do:

**LOVING PEOPLE SPIRITUALLY & PRACTICALLY
THROUGH ACTS OF KINDNESS.**

EDUCATION & EQUIPPING

Investing in people by helping them to recognize their value & teaching them to step out into the world strengthening communities.

MEETING PHYSICAL NEEDS

We come along side local organizations to help people in our community access necessities

EVANGELIZE, ENCOURAGE & PRAY

Bringing love to the poor, the lost, the destitute and the forgotten.

WE ARE HERE TO LOVE

Much of LoveBrave's ministry takes place among the lost, the broken and the forgotten. We are driven to see every person we encounter know the love of the Father.

Education & Equipping -

Connecting with local churches and organizations, we create workshops and training seminars that are designed to bring the healing needed to love without fear. Within these teachings, individuals discover how to live the life they were designed for.

Through our biblically based courses you will receive tools that bring lasting change to your life, improved emotional health and spiritual growth. You will attain new levels of freedom as you learn how to overcome unresolved issues and negative experiences through victory in Christ. As you experience healing and freedom, you will discover that you are better equipped to minister to those around you.

Meeting Practical Needs -

In the midst of this global pandemic our local communities are facing dire situations. LoveBrave has been discovering creative ways to provide encouragement and meet needs such as food boxes, street outreach and solar light distribution.

DISASTER RELIEF

Lake Charles, Louisiana

When Hurricane Laura hit, everything changed for Lake Charles, Louisiana and the surrounding areas. The shrimping parish of Cameron was hit hard with 95% of the homes completely totaled. We encountered displaced families in great distress, finding themselves without shelter, power or hope. Our ministry was able to partner with SWLA for relief of goods, Aerial Recovery Group for extreme debris removal and Watts of Love for solar light distribution. The people are clearly in shock and numb, needing more than just food. Lovebrave was able to bring hope and the Love of Jesus in the process of bringing food, water and light

“
Just want y'all to know, there are people pouring their hearts out to get us back on our feet.

Facebook testimony

*You hear, O Lord, the desires of the afflicted;
You encourage them and listen to their cry,
defending the fatherless and the oppressed, so that man who is of the earth, may terrify no more.*

Psalms 10:17-18

Most of all, we need your prayers. We would be so blessed if you would intercede on our behalf. Your prayer support is critical to LoveBrave in all the various ways God assigns us to go.

Johnathan had been homeless for years. Strung out on drugs, he wandered the streets. We came across him at beach outreach. His greatest need in that moment was a hug infused with love. After the hug & prayer, he asked to use our phone to call his mom so he could go home.
