Airport Manager's Report

- **Fuel Sales:** Mr. Troglio reported that 100LL fuel sales for April totaled 942 gallons at a price of $4.99 per gallon, compared to 803 gallons sold during the same period last year. UL94 fuel sales totaled 350 gallons at a price of $5.50 per gallon, compared to 203 gallons sold during the same period last year.
- **Redbird Usage**: Mr. Troglio reported that in April, the simulator recorded 1.2 billable hours of use. The simulator also hosted 18 STEM students from a local grade school, who logged 2.2 hours of simulator time. Additionally, 8 Young Eagles participants used the simulator for 1.5 hours when weather conditions prevented flying.
- **VirTower Report:** In April, 364 operations were recorded. However, this total reflects only aircraft equipped with ADS-B, as aircraft without ADS-B were not captured in the data.
- **EAA Events:** The club hosted a Young Eagles event on April 25 and utilized the simulator due to weather conditions. The private Young Eagles event held on April 15 hosted 18 students. Each student received an airplane ride and completed a takeoff and landing in the Redbird simulator. The next Young Eagles event will be held on May 23, and 20 children are currently signed up.
- **Air Charter Advisors:** Air Charter Advisors reached out to the airport with a no-strings-attached proposal. They will advertise the airport in exchange for allowing a link to their website on the airport's webpage. They are a charter service broker that connects customers with aircraft for business and personal travel. This arrangement places no obligation on the airport. The company distributed the airport's press release through more than 540 news outlets.

Project Reports

- **Runway 13/31 Obstructions:** Mr. Troglio reported that the obstruction removal project has been completed and that the grass is becoming established. He will follow up with IDOT Aeronautics to have the runway obstruction notice removed.
- **Crack Filling:** Mr. Troglio reported that county workers spent four days filling cracks on Runway 18/36 and the airport taxiways. Next year, the parking lot and west hangar pavement are scheduled for crack filling.
