★ THE RICH HISTORY OF STRONG LEADERSHIP AND REPRESENTATION FOR TENNESSEE STATE DISTRICT 91 ★

THE LEGACY OF LOIS DEBERRY 41 YEARS OF SERVICE

Lois was a Democratic member of the Tennessee House of Representatives. She was elected in 1972 as the first Representative in District 91. She served for 41 years until her death in 2013. Representative Raumesh Akbari was elected in November 2013 to succeed Representative DeBerry.

State Representative Lois DeBerry was an advocate for our children/youth, senior citizens, the disenfranchised, economic inequality and criminal injustice. She believed that Education was the catalyst that would break the chains of these inequities. We believe that **Juliette Eskridge** is the candidate who embraces and understands the importance of education. **Juliette Eskridge** has always been a champion of Social Action and she understands the danger of "Social Inaction". **Juliette Eskridge** has worked in education throughout her career and was a strong supporter of the educational and social programs sponsored

by Representative DeBerry, including the annual signature event The State Legislative Retreat, which highlighted youth, senior citizens, small and minority businesses ...

We are proud to support the person we feel will best address the needs of District 91 and continue the work and legacy started by a true servant of the people. **We support Juliette Eskridge for State Representative, District 91.**
