

QUALITY POLICY STATEMENT

Hue Imbued Consultancy Limited is committed to:

- Providing services, which fully meet the initial and continuing needs and expectations of all our customers.
- Fully complying with Industry Codes of Practice.
- Involving our staff through teamwork, training and professional development to continually improve the services we offer.
- Ensuring we keep up to date with Industry news and Standard updates to maintain our position as a leading Consultancy in our field.

The Business Management System is supported and endorsed by the Senior Management and every employee within the company and is a reflection of our desire to provide our clients with the highest standards possible in client care and provides a framework for establishing and reviewing business objectives. The Business Management System is closely monitored internally and externally.

MANAGEMENT COMMITMENT

The Company is committed to implement, maintain and continually improve a documented Management System which complies with the requirements of ISO 9001:2015. This operating system is designed to embrace all company functions, thus ensuring the efficiency of the business and the consistent delivery of a quality service for all customers. To this effect, this Quality Policy has been established and communicated at all levels within the organisation through the annual strategy renewal process.

SMART business strategies, goals and objectives for each department, subsidiary and division are challenged and set on an annual basis. Within this, goals and objectives for all staff are set for the forthcoming year.

LEGAL REQUIREMENTS

The company will exhibit the highest standards in maintaining a policy of honesty and correctness at all times towards both clients and employees. The Management Representative, in conjunction with the Senior Management team, has responsibility for ensuring that all legal requirements applicable to the business activities and relevant industry 'codes of practice' are identified, understood and adhered to.

CLIENT FOCUS

All enquiries for services will be subject to formal controls. Procedures are established to ensure that the customers' needs and requirements are determined and adequately met with the objective of achieving customer satisfaction at all times. Within this, other interested parties are considered as deemed necessary.

The scope of certification to ISO 9001:2015 is applied to the Hue Imbued Consultancy Limited's operations and covers:

The provision of Business Consultancy and Support Services, including assistance with ISO 9001, 14001, 27001 & 45001 Implementation and Audit. BAFE, SSAIB & NSI Scheme Application and Certification Support, retained H&S Support including on-site H&S Audits.
