COURTESY NOTICE - VIOLATION HANG TAGS

Borough Staff place hang tags on the doors of residential and commercial properties with Property Maintenance Violations. The hang tag states the specific violation and the amount of time to correct the issue. Hang tags seek voluntary compliance in a cost-effective manner that addresses safety issues; and begins the enforcement process.

Violation examples include **low-hanging tree limbs over streets and sidewalks** and **bushes growing over the sidewalk**, hindering the safe passage of pedestrians and vehicles. Pedestrians must duck for low-hanging branches or walk in the street because of overgrowth. Lack of visibility of regulatory signs, such as speed limit and stop signs, can cause accidents. Tree limbs **must be trimmed to 14' above a street and 8' above a sidewalk**.

A few examples of property maintenance violations: **grass and weed height above 10"**, accumulation of trash, not keeping a pool in a sanitary condition, unsafe exterior structures, unlicensed/unregistered motor vehicles, and inoperable/unassembled vehicles. **If the violation remains uncorrected, we will send a Notice of Violation requiring compliance and stating the consequences of failing to comply.** Currently occurring, active enforcement of **grass/weed height and unsanitary swimming pool conditions, which become breeding areas for mosquitoes.** West Nile Virus is an issue.

EMERGENCY NOTIFICATION SYSTEM

The Borough uses the Code Red System to notify residents and businesses about emergencies and general notifications, such as trash pickup changes.

If you are signed up, please verify that all your contact information is correct. **If you have made any changes to your email, cell number and/or landline, it must be changed or removed from the CodeRed system.**

If you are new to the Borough, please sign up for notifications with CodeRed. Access the CodeRed system through the link on the home page of the Borough website @ www.stlawboro.us. CodeRed will be used for emergency notifications (snow emergency, etc.) and general notifications (trash day change). Any questions, please contact the Boro Office.

If you no longer wish to receive calls, texts or emails and/or are moving out of the Borough, please call the Borough Office and provide all your contact information so we may add it to the DO NOT CONTACT list.

This is the quickest method we have for contacting the Borough residents in Case of Emergency. We avoid making excessive contacts.

FOR MORE INFORMATION OR TO VOLUNTEER

THESE GROUPS DO NOT REHOME ANIMALS, THEY HELP TO REUNITE ANIMALS WITH THEIR OWNERS

THINGS TO KEEP IN MIND WHEN YOU MAKE IMPROVEMENTS TO YOUR PROPERTY

DO NOT PLACE ANY FENCES, TREES, SHRUBS , PLANTS, ETC. WITHIN 8' OF A STREET CURB LINE (SOME STREETS REQUIRE 10'). THIS SPACE RESERVED FOR UTILITIES AND SIDEWALKS (EVEN IF YOU DON'T CURRENTLY HAVE SIDEWALKS). IF YOU PLANT IN THESE SPACES OR HAVE PLANTS OR OTHER OBJECTS IN THE SPACE, THEY MAY NEED TO BE REMOVED. DO NOT PLANT NEXT TO THE SIDEWALK AREA. PLANT ROOT SYSTEMS MAY DESTROY SIDEWALKS AND CURBS.

KEEP YOUR GRASS CLIPPINGS OUT OF THE STREET NO DUMPING IN STORM DRAINS, CHANNELS OR WATERWAYS

You are not permitted to dump anything into storm drains, storm channels or waterways. Grass clippings, leaves and other yard waste blown onto streets, dumped into storm drains or storm channels eventually wash into Antietam Creek. What's wrong with that? Decomposing yard waste acts as a fertilizer (great for your lawn but not for waterways), adding nutrients to the water speeding growth of plants, creating algae blooms and causing oxygen depletion making it difficult aquatic life to survive.

The Borough collects yard waste curbside weekly all year (weather permitting). See the Municipal Insert for instructions.

WASHING YOUR CAR AT HOME?

DO IT ON YOUR YARD!

Outdoor car washing causes large amounts of dirt, road grime, oil and heavy metals to enter local waterways. Soapy water flows down the street into the storm drains, eventually to be flushed through the system to Antietam Creek and the Schuylkill River. If you can't use a commercial car wash, wash your car on the lawn or other pervious surface so the wash water can soak into the ground and be filtered out.

ADOPT A STORM DRAIN

Have you noticed a storm drain clogged with leaves or trash? Have you seen how clogged storm drains can cause street flooding? Your help is needed to prevent the debris from blocking the storm drains or flowing into the Antietam Creek. Please contact Borough Hall if you see a clogged storm drain.

PERMITS REQUIRED FOR WORK

UNIFORM CONSTRUCTION CODE (UCC) BUILDING, PLUMBING, ELECTRICAL AND

MECHANICAL PERMITS? PA STATE LAW

Building a deck more than 30" off the ground? Rewiring or adding electric circuits? Changing fixtures (sink, toilet, bathtub or shower) in your bathroom? Replacing a roof? Installing an inflatable pool? Pennsylvania State law requires that you, if you are doing the work yourself, or your contractor need to obtain a permit **PRIOR** to having any work completed on your property.

Depending upon the type and the complexity of the work you may need to have plans submitted for review and approval prior to having a Permit issued to complete the work. Permit applications are available online or in the Borough office. Permits are issued by the Borough's Building Code Official - State Inspection Authority Inc.

Additionally, all contractors and sub-contractors working on your property are required to obtain a BOROUGH TRADE REGISTRATION from the Borough office.

NOISE ORDINANCE

Be kind to your neighbors. Your taste in music is not necessarily that of your neighbors. Your music or any other noises, should not cross the property line or occur from 10:00PM until 7:00 AM, this includes power tools, revving of engines, yelling, shouting, singing, etc. You are not allowed to operate construction equipment at any time on a SUNDAY or HOLIDAY (which can be heard on neighboring properties.)

JUST GOT AN INFLATABLE POOL, I DON'T NEED A PERMIT, DO I?

YES, YOU DO! IT'S STATE LAW. ALL SWIMMING POOLS THAT HOLD MORE THAN 24 INCHES OF WATER REQUIRE A BUILDING, ELECTRICAL AND ZONING PERMITS PRIOR TO CONSTRUCTION ? INCLUDING INFLATABLE POOLS.

The Borough requires a Zoning approval for the placement of the pool, which includes placement a minimum of ten feet from the property line. A few of the State Building Code requirements for installing the pool are: a four foot fence with a self-locking gate around the pool or a fold-up ladder that locks; the type of fence construction and a GFCI outlet to run the pool filter. Extension cords not allowed. Other regulations apply depending upon the placement of the pool.

Anyone with a pool in their yard that doesn't meet Code Requirements will be asked to remove the pool until they obtain the proper permits and comply with safety measures.
