

# ALEX KARAS HIRSCH | VIDEO EDITOR

## PROFESSIONAL SUMMARY:

Highly skilled and creative film editor with over 10 years of experience in storytelling through visual media. I am seeking a challenging position that will allow me to leverage my expertise in editing, color correction, and motion graphics to contribute to innovative film and video projects.

## EXPERIENCE:

**Cave76, NY** **6/22 – Present**  
**Freelance Video Editor**

- Edited and assembled raw footage into cohesive, compelling content for various advertisements and general publicity projects utilizing Adobe Suite.
- Collaborate with internal media teams and producers to understand the project's vision and executed revisions to achieve desired results.

**PepsiCo, NY** **6/22 – Present**  
**Freelance Video Editor**

- Work with diverse clients to produce and edit promotional videos, advertisements, and corporate presentations.
- Design motion graphics and add special effects to enhance the visual appeal and message delivery.

**Gold Link Global, NY** **1/19 – 2/21**  
**Video Editor and Content Management**

- Support the company in managing media assets, organizing files, and preparing projects.
- Handled color grading, sound design, VFX, and editing.

**Visual Country LLC, NY** **2/20 – 5/20**  
**Production Intern**

- Assisted in various stages of commercial production.
- Focused on set build and pre-production coordination.

**WCVB News, MA** **5/18 – 8/18**  
**News and Production Team Intern**

- Worked with the news team for live studio production broadcast to the greater Boston area.
- Partnered with reporters and assisted with on-location package production.
