Public Comment:

- Valley: Good to see the roads done. Road Commission said the guy is in the area to do our primary roads.
- Monica- Dumpster at the Beach is being mis-used. Dumping fish guts and so on. It makes it hard to enjoy the beach. Bob- Unsure what to do. I can call and see if he will dump it soon.
- Sue Kohn-I would like to clear the record. I want to address the FOIA Mrs. Bender sent that said; I did not respond to it. On April 19th I did respond in an email saying, "Hello Floyd, after speaking with our attorney here is what he suggested. I or a Trustee will not meet with you but if you would like to inspect or receive a copy of public record, please resubmit your request explicitly stating so in a manner that comports with Michigan Freedom of Information Act." "I would also like to state that there are two types of deception. Lying by commission which is active use of false statements and omission or passive acts of misleading by failing to disclose relevant information."
- It is a common practice in all types of business to respond or reply to the person who generated the email. Sue checked with our legal department and responded to the Benders.
- Bender- thought that the lawyer was going to respond.

Adjourn: Motion to adjourn by Sue and supported by Bobbi time is 6:19pm.
