

The Shetland Sheepdog Club of North Wales – 10th August 2025

I would like to Thank the Club for the opportunity and privilege to give CCs for first time in UK. Having had the breed since 1972, my original kennel name registered in 1975 and having judged the breed all over the world, I am proud to say the breed sure has developed into something of great beauty. The Clubs hospitality was great and show ran smoothly with the help of my two stewards Keith Mottram and Gail Jacobs.

Overall I felt the entry had depth of quality, with several close split hair splitting decisions. There are a few areas which I feel need to be addressed. Not just today but for quite some time now I have noticed a distinct number of exhibits with snipy muzzles and almost total lack of underjaw, so much so that the bottom lip does not close and meet the upper lip, resulting in the incisors and in some instances canines being visible, referring back to our standard where it uses words like rounded and blunt (I personally find this most offensive and unattractive to say the least). Then there is the case of light eye rims seen too often, once again not pleasing on my eye. Front assemblies tend to be too upright with head appearing to be positioned above the front legs. Then the dreaded short tails. A final observation with regards to altering a dogs appearance with application of lead to the ears, blatantly done at ring side in plain sight. I find this totally unethical behaviour and against RKC rules!

Baby Puppy (2)

1 Tunnicliffe's – Dippersmoor Rising Star, pretty sweet head and expression, shoulder a bit high placed, bit lift in front, correct tail set and carriage. Certainly thoroughly enjoyed her outing and showed well for her handler. Ended up Best Baby Puppy in Show.

2 Herring's – Milesend Ava Perron, like her body proportions, soundly made, bit strong in back skull and ears could be neater, tail set on rather high and carried up.

Minor Puppy (5)

1 Lambert's – Blenmerrow Musetta, certainly one I would proudly own, loved her sweet expression combination of nice dark almond shaped eye, dark rims and well placed ears, neat package, well balanced body with well laid back shoulders, good turn stifle. Graduate Bitch (8,2)

1 Goodwin's – Rowancrest Legally Blonde, lots to like about this sound shapely girl, structure to write standard around, stood four square, free sound mover. Well placed ears and dark eye. Should prove valuable in whelping box.

3 Rosslyn's – Balidorn Golden Amber ShCEX.

Open Bitch (8,2)

1 Welford's – Ristine Emerald, pretty tricolour with rich tan marking, filled my eye on entering the ring with low forward reach and drive from well angled rear and distinctly angled stifle joint, neatly low set, her head and expression did not disappoint with combination of alert neat small ears and oblique eye. Reach of neck into well laid back shoulder enhanced her balance and ease on the move. In fabulous condition and warmed my heart to witness her loyalty to her owner. Pleasure to award her the CC (her 2nd) and later BOS, RBOB and BVIS.

2 Pearson's – Ch Edglonian Golden Glow, impeccable presentation as always from this exhibitor, loved her type and pleasing outline, sweet expression, neat well placed ears and rounded muzzle with underjaw. Balanced on move, bit higher set stifle compared to class winner. Another in contention for higher award.

3 Keeling's – IrCh/Ch Kishdigra Heavenly Goddess IR/INT CW24.

Veteran Bitch (7,1) What a quality packed class!

1 Main's – Shenachie Lyric Of Light, well this old lady certainly tugged at my heart strings, at almost 12 years of age, just floated around the ring, with low reach and drive, still so true out and back as sound as a bell. Then to go over her lovely lean flat head with those soft sweet dark eyes, melted me. Honoured to award her the RCC in strong company. Surprised and rather sad to hear she was not a Champion.

2 Hateley's – Ch Mohnesee Sweet Dreams JW, another of my favourites, lovely headed with desired oblique almond eye, neat ears giving sweet expression, very well structured with well used reach of neck. Just needed a touch more coat to complete the picture on the day.

3 Hardy's – Ch Dippersmoor Joie De Vivre at Sandwick.

Special Beginners Bitch (4,1)

1 Curtin's – Blarny Black Magic, 2nd in Post Grad.

3 Thomson's – Lochdee Miss Marlie.

Special Open – Tricolour Bitch (3,1)

1 Rennison's – Esterbon Bi Storm To Zaniah, always nice to see a bi black being shown as I know how hard it is to be noticed and become a Champion, this bitch did not disappoint in many areas, certainly can not deny her shapely construction, pleasing head detail eye a touch round, neat well placed ears. Reach and drive on go around and nice low tail set.

2 Stafford's – Rannerdale Queen Of The Nite, liked her type, well balanced, in gleaming coat. Pretty expression, back skull a tad wider then class winner, portrayed reach and drive, bit close in rear. Splitting hairs with this class.

Special Open Blue Bitch (3,2)

1 Main's – Shenachie Flakey Dove, note say my type with lovely refined head for her 12 years of age, ear set tad wide. Shapely outline and moved soundly.
