

Hi!

Below is the information we need to give you a quote for your requested order. We do not replicate cakes but we do recommend your preference. The more pictures, drawings, or any inspiration the closer we can get to your perfect cake/mini treat design. Please submit them to the email below. If you have any questions or concerns please give me a call or email me. Our turnaround time for quotes is 24-72 hours.

For payments invoices will be sent to your email after you confirm your quote. Your date will be booked once your deposit or full payment is made. All orders that are booked the same week of your order date/event have to be paid in full if accepted. After the quote is given please confirm your quote within 24 hours to keep availability for your order date. All balances are due one week prior to your order date. Thank you for considering us to make your custom treats!
